**ARTICLE I**

**FINDINGS OF FACT**

Section 1.01 Findings.

Incident to the enactment of this series ordinance (this “**2020 Series Ordinance**”), and the issuance of the bonds provided for herein, the City Council of the City of Beaufort (the “**City Council**”), the governing body of the City of Beaufort, South Carolina (the “**City**”), finds that the facts set forth in this Article exist and the following statements are in all respects true and correct:

(A) The City Council has made general provision for the issuance from time to time of bonds (the “**Bonds**”) of the City by a bond ordinance entitled “AN AMENDED AND RESTATED MASTER BOND ORDINANCE PROVIDING FOR THE ISSUANCE AND SALE OF BONDS (STORMWATER SYSTEM PLEDGE) OF THE CITY OF BEAUFORT, SOUTH CAROLINA; AND OTHER MATTERS RELATING THERETO” enacted by the City Council on August 18, 2020 (the “**Bond Ordinance**”). Terms with initial capitals and not otherwise defined herein shall have the meanings ascribed thereto in the Bond Ordinance.

(B) It is provided in and by the Bond Ordinance that, upon enactment of a “Series Ordinance,” there may be issued one or more Series of Bonds for the purpose of, among other things: (1) obtaining funds for the acquiring, purchasing, constructing, improving, enlarging, and repairing of the System and improvements and additions thereto, including the recoupment or reimbursement of funds already so expended; (2) providing funds for the payment of any bond anticipation notes; (3) refunding Bonds or other obligations; (4) providing funds for the payment of interest due on any Bonds; (5) funding a Debt Service Reserve Fund, if any, in an amount equal to the Reserve Requirement; and (6) paying the costs of issuance of Bonds, including any credit enhancement therefor.

(C) The City currently has no indebtedness payable from the revenues derived from the System.

(D) The City has determined to issue the Series 2020 Bonds (as defined herein) to: (1) recoup or defray all or a portion of the costs of planning, developing, and constructing stormwater system renovations and improvements located in the City, to include new, renovated or replaced stormwater lines and related infrastructure (the “**2020 Project**”); (2) provide for the refunding of all or a portion of its \$6,000,000 General Obligation Bond, Series 2018, dated December 10, 2018 (the “**Refunded Bond**”); (3) fund, if necessary, the 2020 Debt Service Reserve Fund (as defined herein) in a manner permitted by the Bond Ordinance; and (4) pay the costs of issuance of the Series 2020 Bonds.

(E) The Series 2020 Bonds shall be issued under the terms of the Bond Ordinance as the initial Series of Bonds thereunder.

(F) By reason of the foregoing, the City has determined to enact this 2020 Series Ordinance in accordance with the terms and provisions of the Bond Ordinance in order to issue bonds for the purposes described in Paragraph (D) above.

(G) Upon the enactment hereof, the provisions of this 2020 Series Ordinance shall be in full force and effect and this 2020 Series Ordinance shall amend, restate and replace the that certain prior Series Ordinance dated July 14, 2020 in its entirety.

## ARTICLE IX

### TAX AND SECURITIES LAW COVENANTS

#### Section 9.01    Tax Covenants.

(A)    *General Tax Covenant.* The City will comply with all requirements of the Code in order to preserve the tax-exempt status of the Series 2020 Bonds, including without limitation, (i) the requirement to file Form 8038-G, *Information Return for Tax-Exempt Government Obligations*, with the Internal Revenue Service, and (ii) the requirement to rebate certain arbitrage earnings to the United States Government pursuant to Section 148(f) of the Code. In this connection, the City covenants to execute any and all agreements or other documentation as it may be advised by Bond Counsel will enable it to comply with this Section 9.01, including its certification on reasonable grounds that the Series 2020 Bonds are not “arbitrage bonds” within the meaning of Section 148 of the Code.

(B)    *Tax Representations.* The City hereby represents and covenants that it will not take any action which will, or fail to take any action which failure will, cause interest on the Series 2020 Bonds to become includable in the gross income of the Holders thereof for federal income tax purposes pursuant to the provisions of the Code and the United States Treasury Regulations (the “*Regulations*”). Without limiting the generality of the foregoing, the City represents and covenants that:

(1)    All property financed or refinanced with the proceeds of the Series 2020 Bonds will be owned by the City or another political subdivision of the State so long as the Series 2020 Bonds are Outstanding in accordance with the rules governing the ownership of property for federal income tax purposes.

(2)    The City shall not use, and will not permit any party to use, the proceeds of the Series 2020 Bonds, or any bonds refunded thereby, in any manner that would result in (i) 10% or more of such proceeds being considered as having been used directly or indirectly in any trade or business carried on by any Nongovernmental Person, (ii) 5% or more of such proceeds being considered as having been used directly or indirectly in any trade or business of any Nongovernmental Person that is either “unrelated” or “disproportionate” to the governmental use of the financed facility by the City or by any other Governmental Unit (as the terms “unrelated” and “disproportionate” are defined for purposes of Section 141(b)(3) of the Code) or (iii) 5% or more of such proceeds being considered as having been used directly or indirectly to make or finance loans to any Nongovernmental Person.

(3)    The City is not a party to, and will not enter into or permit any other party to enter into, any contract with any person involving the management of any facility financed or refinanced with the proceeds of the Series 2020 Bonds or by notes paid by the Series 2020 Bonds that does not conform to the guidelines set forth in Revenue Procedure 2017-13, or a successor revenue procedure, Code provision or Regulations.

(4) The City will not sell, or permit any other party to sell, any property financed or refinanced with the Series 2020 Bonds to any person unless it obtains an opinion of nationally recognized bond counsel that such sale will not affect the tax-exempt status of the Series 2020 Bonds.

(5) The Series 2020 Bonds will not be “federally guaranteed” within the meaning of Section 149(b) of the Code. The City shall not enter into, or permit any other party to enter into, any leases or sales or service contract with any federal government agency with respect to any facility financed or refinanced with the proceeds of the Series 2020 Bonds and will not enter into any such leases or contracts unless it obtains the opinion of nationally recognized bond counsel that such action will not affect the tax-exempt status of the Series 2020 Bonds.

(C) *Arbitrage Bonds, Rebate.* The City covenants that no use of the proceeds of the sale of the Series 2020 Bonds shall be made which, if such use had been reasonably expected on the date of issue of such Bonds would have caused the Series 2020 Bonds to be “arbitrage bonds” as defined in the Code, and to that end the City shall:

(1) comply with the applicable regulations of the Treasury Department previously promulgated under Section 103 of the Internal Revenue Code of 1954, as amended, and any regulations promulgated under the Code, so long as the Series 2020 Bonds are Outstanding;

(2) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the Code and Regulations relating to required rebate of certain amounts to the United States Government;

(3) make such reports of such information at the time and places required by the Code and Regulations; and

(4) take such other action as may be required to assure that the tax-exempt status of the Series 2020 Bonds will not be impaired.

(D) *Tax Certificate.* An Authorized Officer is hereby authorized and directed to execute, at or prior to delivery of any Series of Bonds, a certificate or certificates specifying actions taken or to be taken by the City, and the reasonable expectations of such officials, with respect to such Series of Bonds, the proceeds thereof, or the City.

(E) *Bank Qualified.* Series 2020 Bonds may be designated by an Authorized Officer pursuant to Article V hereof as “qualified tax-exempt obligations” in accordance with Section 265(b)(3)(B) of the Code.

(F) *Reimbursement Declaration.* The City hereby declares its intention to reimburse itself for a portion of the costs of the 2020 Project with the proceeds of Series 2020 Bonds. To that end, the City Council determines and declares as follows:

(1) no funds from any sources other than the Series 2020 Bonds are or are reasonably expected to be, reserved, allocated on a long-term basis or otherwise set aside by the City pursuant to the budget or financial policies of the City for the financing of the portion of the costs of acquisition, construction, and equipping of the 2020 Project to be funded with the Series 2020 Bonds;

(2) the City reasonably expects that all or a portion of the expenditures incurred for the 2020 Project and the issuance of the Series 2020 Bonds will be paid prior to the issuance of the Series 2020 Bonds;

(3) the City intends and reasonably expects to reimburse itself for all such expenditures paid by it with respect to the 2020 Project prior to the issuance of the Series 2020 Bonds from the proceeds of the Series 2020 Bonds, and such intention is consistent with the budgetary and financial circumstances of the City;

(4) all of the costs to be paid or reimbursed from the proceeds of the Series 2020 Bonds will be for costs incurred in connection with the issuance of the Series 2020 Bonds, or will, at the time of payment thereof, be properly chargeable to the capital account of the 2020 Project (or would be so chargeable with a proper election) under general federal income tax principles; and

(5) this 2020 Series Ordinance shall constitute a declaration of official intent under United States Department of the Treasury Regulation Section 1.150-2.

(G) *Taxable Bonds.* Prior to the issuance of a Series of Bonds, an Authorized Officer may, in consultation with Bond Counsel, designate a Series of Bonds as taxable under the Code. The election to issue a Series of Taxable Bonds shall be clearly indicated by including the phrase “Taxable Series,” or words to that effect, in the series designation of such Taxable Bonds. The above provisions of this Section 9.01 shall not be applicable to any Series of Taxable Bonds.

Section 9.02     Securities Law Covenants.

(A) The City hereby covenants and agrees that it will comply with and carry out all of the provisions of any continuing disclosure certificate or agreement, executed by an Authorized Officer and dated the date of delivery of the Series 2020 Bonds, which will meet the requirements, as applicable, of Section 11-1-85 of the South Carolina Code, which may require, among other things, that the City file with a central repository when requested:

- (1) a copy of its annual independent audit within 30 days of its receipt and acceptance, and
- (2) event-specific information, within 30 days of an event adversely affecting more than five percent of its revenues or five percent of its tax base.

The only remedy for failure by the City to comply with the covenants in this Section 9.02 shall be an action for specific performance of this covenant. The City specifically reserves the right to

amend this covenant to reflect any change in Section 11-1-85 of the South Carolina Code, without the consent of any Bondholder.

(B) The City hereby covenants and agrees that it will comply with and carry out all of the provisions of any continuing disclosure certificate, executed by an Authorized Officer and dated the date of delivery of the Series 2020 Bonds, which will meet the requirements, as applicable, of Rule 15c2-12 (the “*Continuing Disclosure Undertaking*”). Notwithstanding any other provision of this 2020 Series Ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Bondholder may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this Section. The execution of the Continuing Disclosure Undertaking shall constitute conclusive evidence of the approval by the person executing the same of any and all modifications and amendments thereto. Additionally, an Authorized Officer is authorized to contract with a dissemination agent for certain dissemination services associated with the execution and delivery of the Continuing Disclosure Undertaking.

(C) In the event any Series 2020 Bonds are not sold as securities, but rather sold to a Direct Placement Purchaser as a commercial loan, no Continuing Disclosure Undertaking shall be required as to such Series 2020 Bonds, but the City may covenant to provide information to the Direct Placement Purchaser as may be mutually agreed.

Section 4.02     Conditions to Issuance of Bonds of a Series.

All Bonds shall be issued in compliance with the following provisions of this Section 4.02:

- (1) Bonds shall be stated to mature and/or have mandatory or sinking fund redemptions on such day or days in the years and amounts prescribed or determined in the manner approved by the Series Ordinance.
- (2) Bonds shall bear interest at the rate or rates and be payable on the occasions, prescribed or determined in the manner approved by the Series Ordinance.

(3) Bonds shall be issued for a purpose or purposes set forth in Section 4.01(A) herein.

(4) There shall exist, on the occasion of the issuance of the Bonds, no default in the payment of the principal of or interest on any Bonds or any Junior Lien Bonds then Outstanding.

(5) Unless on the date of delivery of such Series of Bonds there shall be on deposit in each Debt Service Reserve Fund the amount equal to the applicable Reserve Requirement, there shall be deposited in such Debt Service Reserve Funds such amounts as may be necessary to make the value of the moneys and securities in each Debt Service Reserve Fund equal to the applicable Reserve Requirement, unless:

(a) the Series Ordinance and any previous Series Ordinances shall have provided for successive monthly payments beginning in the first month following the date of the issuance of the Bonds of any such Series in substantially equal monthly amounts (the “*Monthly Series Payments*”) so that within 10 years from the date of issuance of such Series of Bonds, or such shorter period of time as set forth in the Series Ordinance, there shall be in the applicable Debt Service Reserve Fund an amount equal to the applicable Reserve Requirement with respect to such Bonds; and

(b) there shall be no unremedied defaults of any Monthly Series Payments required to have been made.

(6) Except in the case of the initial Series of Bonds issued under this Bond Ordinance or in the event no Bonds are Outstanding, Gross Revenues, as calculated by an Authorized Officer, during the most recent Fiscal Year for which audited financial statements of the System are completed shall not be less than 100% of the maximum Annual Principal and Interest Requirements on all Bonds Outstanding and on such proposed Series of Bonds, with such calculation to be made by the Authorized Officer upon the basis of the audited financial statements of the System for the most recent Fiscal Year that such audited financial statements are available; provided that for purposes of this Section 4.02(6), such Gross Revenues may be adjusted to reflect any rate increases in Stormwater User Utility Fees currently adopted and to be in effect prior to, coincident with or during the current Fiscal Year of the issuance of such proposed Series of Bonds and determined pro forma as though such rate increases had been in continuous effect during such recent Fiscal Year.

In the event that a Series of Bonds is Outstanding and the City determines to issue a note or other obligation in anticipation of the issuance of a Series of Bonds, for the purposes of complying with the additional bonds test established in this Section 4.02(6) above, the Authorized Officer shall project the maturity schedule (including rate, term and principal maturities) of the future Series of Bonds that will be used to pay the note or other obligation at maturity; such future Series of Bonds and the accompanying projections shall qualify as a proposed Series of Bonds for purposes of the additional

bonds test in Section 4.02(6) herein. The Authorized Officer making the calculations described in this Section 4.02(6) may, but is not required to, rely on a report or calculation of the Auditors or Independent Consultants.

Whenever this Section 4.02(6) requires a calculation based on the most recent Fiscal Year for which audited financial statements are available, the City may, in its discretion, provide for a special audit and based upon such special audit, in lieu of the audit for such Fiscal Year, provided such special audit covers twelve (12) consecutive calendar months of the eighteen (18) full consecutive calendar months preceding the date of issuance of the proposed Series of Bonds.

(7) Without complying with Section 4.02(6) hereinabove, in the case of Bonds issued for the purpose of refunding any Bonds, Series of Bonds, or a portion of a Series of Bonds:

(a) the Annual Principal and Interest Requirement of the refunding Bonds shall not exceed 110% of the Annual Principal and Interest Requirement of the refunded Bonds for any Fiscal Year until a time subsequent to the last maturity of Bonds issued prior to the issuance of such refunding Bonds which are not refunded and which remain Outstanding following the issuance of the refunding Bonds;

(b) the additional bonds test prescribed by paragraph (6) herein shall be complied with; or

(c) as certified by an Independent Consultant, an overall net present value savings results from the issuance of the refunding Bonds.

(8) If any Series of Bonds shall contain Variable Rate Bonds:

(a) The Series Ordinance shall provide for and specify a maximum interest rate on (i) such Bonds and (ii) any reimbursement obligation to a liquidity provider for such Bonds; and

(b) The liquidity provider for such Bonds shall be rated within the highest two short-term rating categories by any rating agency then rating any Series of Bonds.

(9) All amounts then due under a reimbursement agreement with any provider of a surety bond, line of credit, insurance policy or letter of credit as contemplated under Section 7.04(D) hereof shall have been paid.

(10) Any Series Ordinance authorizing a Series of Bonds may prescribe, in addition to the requirements set forth in Sections 4.02(6) and 4.02(7) hereof, further requirements that must be met for the issuance of Bonds on a parity with all Series of Bonds then Outstanding.

Section 4.03     Reliance on Certificates.

Each of the City, the Trustee and any purchaser of any Bonds shall be entitled to conclusively rely upon certificates or reports of the Auditors, an Authorized Officer, an Independent Consultant and any Insurance Consultant, made in good faith, pursuant to any provision of this Bond Ordinance.

Section 4.04     Execution of Bonds.

(A) Unless otherwise prescribed by any Series Ordinance, the Bonds shall be executed in the name of and on behalf of the City by the Mayor or in his absence another Authorized Officer, the corporate seal of the City shall be impressed or reproduced thereon and the same shall be attested by the Clerk. Such officers may employ facsimiles of their signatures and also a Series Ordinance may specify the manner of executing the bond by electronic signature.

(B) In case any officer whose signature or facsimile signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office.

Section 4.05     Authentication.

Only such Bonds as shall have endorsed thereon a certificate of authentication duly executed by the Trustee or the Registrar shall be entitled to any right or benefit under this Bond Ordinance. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Trustee or Registrar, and such executed certificate of the Trustee or Registrar upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Bond Ordinance. The Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed if signed by any authorized signatory of the Trustee or by any authorized officer of the Registrar.

Section 4.06     Medium of Payment.

The Bonds shall be payable with respect to principal, interest, and premium, if any, in lawful money of the United States of America, unless otherwise provided in a Series Ordinance.

Section 4.07     Mutilated, Lost, Stolen or Destroyed Bonds.

In the event any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Trustee may authenticate a new Bond of the same Series of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the City and to the Trustee evidence of or affidavit as to such loss, theft or destruction satisfactory to the City and the Trustee together with indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the City shall pay the same. The City and the Trustee may charge the Holder or

owner of such Bond with their reasonable fees and expenses (including reasonable attorney's fees, costs and expenses) in connection with such actions.

Section 4.08     Transfer and Registry; Persons Treated as Owners.

(A) As long as any Bonds shall be Outstanding, the City shall cause books for the registration and for the transfer of Bonds to be kept. Such books shall be kept by the Trustee unless there shall have been appointed a Registrar other than the Trustee to keep the books of registration for any particular Series of Bonds, in which case such Registrar shall promptly notify the Trustee in writing of any registration or transfer of the Bonds. The transfer of each Bond may be registered only upon the registration books of the City kept for that purpose by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof and an assignment with a written instrument of transfer satisfactory to the Trustee or the Registrar, as the case may be, duly executed by the registered owner or his duly authorized attorney. Upon the registration or transfer of any Bond, the City shall cause to be issued, subject to the provisions of Section 4.11 hereof, in the name of the transferee a new Bond or Bonds of the same aggregate principal amount, maturity and interest rate as the surrendered Bond.

(B) The City, the Trustee, and any Registrar may deem and treat the person in whose name any Bond shall be registered upon the registration books of the City as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium (if any) and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or, upon his order, shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid; and none of the City, the Trustee and any Registrar shall be affected by any notice to the contrary.

(C) Notwithstanding anything in paragraphs (A) and (B) of this Section 4.08 to the contrary, Bonds may be issued in the form of contractual obligations which are not instruments and which may be transferred as provided in such contracts.

Section 4.09     Date and Payment Provisions.

Unless otherwise provided in any Series Ordinance with respect to Bonds issued thereunder, each Bond of a Series shall be authenticated on such dates as it shall, in each case, be delivered. Each Bond shall bear interest from the Date of Issue if no interest has yet been paid; otherwise from the last date to which interest has been paid and which date is on or prior to the date of such Bond's authentication.

Holders of at least \$1,000,000 principal amount of a Series of Bonds may, by written notice containing wiring instructions filed with the Trustee at least 20 days prior to any Bond Payment Date, provide for the payment of the interest on such Bonds by wire transfer to an account at a bank located in the continental United States.

Section 4.10     Transferability of Bonds.

Bonds of a Series, upon surrender thereof at the office of the Trustee or the Registrar, as the case may be, for the Bonds of such Series with a written instrument of transfer satisfactory to the Trustee or the Registrar, duly executed by the Holder or his duly authorized attorney, may, at the option of the Holder and upon payment by such Holder of any charges made pursuant to Section 4.11 hereof, be exchanged for an equal aggregate principal amount of Bonds of such Series of like maturity and interest rate of any other authorized denominations; provided that Bonds issued in the form of contractual obligations may be transferred as provided in such contracts.

Section 4.11     Regulations With Respect to Exchanges and Transfer.

In all cases in which the privilege of exchanging or transferring Bonds is exercised, the City shall execute and the Trustee or the Registrar, as the case may be, shall authenticate and deliver Bonds in accordance with the provisions of this Bond Ordinance. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled and destroyed and shall not be reissued, and a counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Trustee or the Registrar, as the case may be, to the City. All Bonds so destroyed shall thereafter no longer be considered Outstanding for any purposes of this Bond Ordinance. There shall be no charge to the Holder for such exchange or transfer of Bonds except that the Trustee or the Registrar, as the case may be, may make a charge sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or transfer. Neither the City nor the Trustee or the Registrar, as the case may be, shall be required to register, transfer or exchange Bonds of a Series during the period between a Record Date and its related Bond Payment Date, or to register, transfer or exchange any Bonds called for redemption after the mailing of any notice of redemption of such Bond.

Section 4.12     Cancellation and Destruction of Mutilated, Paid or Surrendered Bonds.

Upon the surrender of mutilated Bonds pursuant to Section 4.07 hereof, or Bonds paid or surrendered, the same shall be cancelled and destroyed and shall not be reissued, and a counterpart of the certificate evidencing such destruction shall be furnished by the Trustee or the Registrar, as the case may, be, to the City. All Bonds so destroyed shall thereafter no longer be considered Outstanding for any purposes of this Bond Ordinance.

Section 4.13     Notice of Redemption.

If any of the Bonds, or portions thereof, are called for redemption, the Trustee, shall give written notice to the Holders of any Bonds to be redeemed, in the name of the City, of the redemption of such Bonds, or portions thereof. Notice of each redemption of Bonds is required to be mailed by the Trustee by first class mail, postage prepaid, at least 30 but no more than 60 days prior to the redemption date to each registered owner of Bonds to be redeemed, at the address of such owner recorded on the bond register and to be otherwise given in accordance with, among others, the following requirements:

(1) notices must contain, at a minimum, the complete official name of the Bonds, CUSIP numbers (if any), Bond numbers, principal amount of each Bond to be redeemed (if less than all), publication date, redemption date, Redemption Price, redemption agent's name and address and phone number, Trustee's name and address, date of the Bonds, interest rate, maturity date, the place or places where amounts due will be payable, and any other descriptive information deemed necessary by the Trustee;

(2) notices must be sent to Bondholders of \$1,000,000 or more, to the Municipal Securities Rulemaking Board, if necessary (via its Electronic Municipal Market Access (EMMA) system, or its successor, as may be amended or modified), and any Securities Depository (if such Bonds are registered in the name of a Securities Depository or the nominee of such Securities Depository) by such method or such other method as is standard in the industry; in addition, any Bondholder holding in excess of \$1,000,000 principal amount of Bonds may request the Trustee to send notices to any additional addressee specified;

(3) a second notice to registered owners of the Bonds must be mailed by the means specified above to any registered owner of Bonds who has not presented Bonds for redemption 60 days after the redemption date;

(4) notice of redemptions effected by advance refundings must also be given notice in accordance with the above requirements at least 30 days but no more than sixty (60) days prior to the actual redemption date; and

(5) CUSIP number identification, if any, with appropriate dollar amounts for each CUSIP number must accompany all redemption payments and interest payments, whether by check or by wire transfer.

The obligation to provide notice shall not be conditioned upon the prior payment to the Paying Agent of money or the delivery to the Paying Agent of Authorized Investments or Government Obligations sufficient to pay the Redemption Price of the Bonds to which such notice relates or the interest thereon to the redemption date.

If at the time of mailing of a notice of redemption, there shall not have been deposited with the Trustee or Paying Agent moneys sufficient to redeem all the Bonds or portions thereof called for redemption, which moneys are or will be available for redemption of such Bonds, such notice is required to state that it is conditional on the deposit of the redemption moneys with the Trustee or Paying Agent not later than the opening of business on the redemption date, and such notice shall be of no effect unless such moneys are so deposited.

The failure of the Trustee to give notice to a Bondholder or any defect in such notice shall not affect the validity of the redemption of any other Bonds for which notice is properly given. Any Bondholder may waive notice of redemption by delivery of a written waiver to the Trustee, or delivery of the Bond for payment on the redemption date.

Any Series Ordinance providing for the issuance of Bonds consisting of contractual obligations not in the form of an instrument or not registered in the name of a Securities

Depository or the nominee of such Securities Depository or providing for Bonds in bearer form may provide alternative methods for delivery of notice of redemption, and the Trustee shall be entitled to conclusively rely on such Series Ordinance as being consistent with the provisions of this Bond Ordinance.

Provided sufficient funds for such redemption are on deposit with the Trustee, all Bonds so called for redemption shall cease to bear interest on the specified redemption date and shall no longer be deemed to be Outstanding hereunder. If said money shall not be so available on the redemption date, such Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

Section 4.14 Cancellation of Bonds Which Have Been Redeemed.

All Bonds which have been redeemed shall be cancelled and destroyed by the Trustee and shall not be reissued, and a counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Trustee to the City. All Bonds so destroyed shall thereafter no longer be considered Outstanding for any purposes of this Bond Ordinance.

Section 4.15 Restriction on Optional Redemption.

Notwithstanding anything in this Bond Ordinance to the contrary, no optional redemption of Bonds may occur unless all amounts payable by the City owing under a reimbursement agreement with any provider of a surety bond, line of credit, insurance policy or letter of credit as contemplated under Section 7.04(D) hereof shall have been paid in full.

Section 4.16 Selection of Bonds to be Redeemed.

In the event that less than all of the Bonds of any Series are to be redeemed at the option of the City, Bonds to be redeemed shall be in such order of maturity as selected by the City. In the event of redemption of less than all of the Bonds of a Series of any maturity, the Bonds or portions of Bonds to be redeemed, shall be selected by lot by the Trustee. The portion of any Bond of a denomination which is larger than the minimum denomination for the Bonds of such Series shall be in the principal amount of such minimum denomination or a multiple thereof, and that, in selecting portions of such Bonds for redemption, the Trustee shall treat each such Bond as representing that number of Bonds of minimum denomination which is obtained by dividing the principal amount of such Bond to be redeemed in part by the amount of the minimum denomination; provided further that, if less than all of the beneficial interests in a Bond of a single maturity registered in the name of a Securities Depository or a Securities Depository Nominee are to be redeemed, the beneficial interests to be redeemed shall be selected by lot or in such manner as may be directed by the Securities Depository. If there shall be drawn for redemption less than all of a Bond, the City shall execute and the Trustee shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the principal amount of the Bond so surrendered, Bonds of the same Series in any authorized denomination. The procedures for selection of Bonds of a Series for redemption set forth in this Section 4.16 are subject, however, to any alternative provisions set forth in a Series Ordinance applicable to such Series of Bonds.

Section 4.17 Purchase of Bonds.

The Trustee shall, if and to the extent practicable, purchase Bonds at the written direction of the City at such time, in such manner and at such price as may be specified by the City. The Trustee may so purchase Bonds with any money then held by the Trustee which is available for the redemption or purchase of Bonds and in excess of that set aside for the payment of Bonds called for redemption; provided, that the Trustee is provided with an opinion of Bond Counsel to the effect that such redemption or purchase complies with any limitations or restrictions on such redemption or purchase contained in this Bond Ordinance.

Section 4.18 Bonds Issued as Taxable Obligations.

Notwithstanding anything in this Bond Ordinance to the contrary, the City may from time to time, pursuant to one or more Series Ordinances, provide for the issuance of Bonds the interest on which may be includable in gross income of the Holders of such Bonds for federal income taxation purposes.

Section 4.19 Security for Payment of Bonds; Priority of Lien.

Subject to the following priority provisions of this Section 4.19, the Bonds, together with the interest thereon, shall be payable solely from and secured equally and ratably by a pledge of the Gross Revenues. The principal of the Bonds, together with the interest and redemption premium, if any, thereon shall be payable from and secured, subject to the foregoing, by a pledge of the funds deposited, from time to time, in the funds and accounts created hereunder, including the Debt Service Fund; provided, however, that amounts on deposit in each Debt Service Fund Account, and any subaccount therein, and in each Debt Service Reserve Fund shall be held solely for the benefit of the Series of Bonds for which such accounts, subaccounts, or funds were established. Nothing in this Bond Ordinance shall prohibit the City from making a pledge of and lien on the Gross Revenues which is subordinate and inferior to the pledge and lien made by this Bond Ordinance to secure bonds, notes or other evidences of indebtedness hereafter issued by the City.

Pursuant to the provisions of Section 6-21-330 of the Enabling Act and as additional security for the payment of Bonds, a statutory lien on the System is granted. Such lien shall extend to the entirety of the System as currently constituted and as expanded from time to time unless otherwise provided in the Series Ordinance authorizing a Series of Bonds for a specific improvement to or expansion of the System. Any holder of any of such Bonds may, either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce such statutory lien and may, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the officials of the City, including the fixing of sufficient rates, the collection of Gross Revenues, the proper segregation of the Gross Revenues of the System and the proper application thereof. But such statutory lien shall not be construed to give any such Bondholder authority to compel the sale of the System or any part thereof.

Section 4.20 Limited Obligation

The Bonds shall (a) be payable solely from the Gross Revenues, (b) not be secured by, or in any way entitled to, a pledge of the full faith, credit, or taxing power of the City, (c) not be an indebtedness of the City within the meaning of any state constitutional provision or statutory limitation but are payable solely from a revenue-producing project or special source which source does not involve revenues from any tax or license, and (d) not be a pecuniary liability of the City's or a charge against the City's general credit or taxing power. The City is not obligated to pay any of the Bonds or the interest thereon except from the Gross Revenues.

Section 4.21 Bonds in Book-Entry Form.

Notwithstanding any other provision of this Bond Ordinance with respect to the form of Bonds to the contrary, a Series Ordinance may provide for the issuance of one or more Series of Bonds solely in fully registered form registerable to a Securities Depository, a Securities Depository Nominee or the beneficial owner of the Bonds. The Series Ordinance may further provide that such Series of Bonds shall be evidenced by one or more certificates or by a system of book entries in a form satisfactory to the Finance Director and to provide for payment, redemption, notices and like provisions in a manner consistent with such system of registration.

Section 4.22 Waiver of Certain Provisions.

Notwithstanding anything in this Bond Ordinance to the contrary, whenever all of the debt issued or all of the obligations incurred by the City under a Series Ordinance are acquired by and are held by a single entity, that single entity, at its sole option, may waive in writing (provided to the City and the Trustee) any provision or requirement of this Bond Ordinance that relates separately to the governance of such Series and is for the protection and benefit of such single entity only and not for the protection or benefit of any other Holder or Holders of Bonds; provided that if such Series of Bonds is insured by an Insurer, then any such waiver shall require the prior written approval of such Insurer.

Section 4.23 Bonds Not in the Form of an Instrument.

In the event that the City issues any Series of Bonds which are contractual obligations not in the form of an instrument, the provisions regarding redemption or prepayment of such Bonds, notices to Bondholders and transfers of such Bonds contained herein may be altered or supplemented by the provisions of the Series Ordinance pursuant to which such Bonds are issued or the contract pursuant to which such obligations are created.

(5) To provide for the payment of the Operation and Maintenance Expenses;  
and

(6) To discharge all obligations imposed by the Enabling Act and by this Bond Ordinance and any applicable Series Ordinance.

B. The City covenants and agrees that it will, at all times, prescribe and maintain and thereafter collect rates and charges for the services and facilities furnished by the System which, together with other income, are reasonably expected to yield annual Gross Revenues in the current Fiscal Year equal to at least the sum of 120% of the Annual Principal and Interest Requirement in such Fiscal Year for all Bonds Outstanding. Promptly upon any material change in the circumstances which were contemplated at the time such rates and charges were most recently reviewed, but not less frequently than once in each Fiscal Year, the City, with or without the aid of an Independent Consultant, shall review the rates and charges for its services and shall promptly revise such rates and charges as necessary to comply with the foregoing requirement.

C. Consistent with the provisions of the Enabling Act, if the Gross Revenues in any Fiscal Year shall be insufficient to pay Debt Service on all Series of Bonds then Outstanding, to the extent an Event of Default under Article XIII herein is not then in effect, an additional amount sufficient to pay the Debt Service on such Bonds shall be set aside out of the Gross Revenues of the next succeeding Fiscal Year and applied to the payment of the Debt Service on all such unpaid Series of Bonds.

D. To the extent any legally available sources, which are not otherwise considered Gross Revenues, are made available by the City in its Annual Budget, such amount shall be timely transferred to the Other Available Moneys Account.

### JUNIOR LIEN BONDS

#### Section 6.01 Right to Issue Junior Lien Bonds; Accession Thereof to Status of Bonds.

(A) Notwithstanding that Bonds may be Outstanding, the City may at any time, and without limitation and free of all conditions issue Junior Lien Bonds, in such amount as it may from time to time determine, payable from the revenues of the System, provided that the pledge of revenues of the System granted for the protection of said Junior Lien Bonds, shall at all times be and remain subordinate and inferior in all respects to the pledges of revenues made or authorized for the Bonds; and provided, further, that the maturity of Junior Lien Bonds may not be accelerated and paid in full unless all of the Bonds shall have been paid or provision therefor has been made pursuant to Article XVI hereof.

(B) By proceedings authorizing the issuance of Junior Lien Bonds, the City may provide for the accession of such Junior Lien Bonds to the status of Bonds provided all of the following conditions are met. Any such subsequent proceedings adopted by the City Council providing for such accession shall make the findings provided in subparagraphs (1) through (4) and state whether and to what extent a Debt Service Reserve Fund shall be established as set forth in subparagraph (5).

(1) The Junior Lien Bonds were issued for a purpose or purposes set forth in Section 4.01(A) hereof.

(2) There shall exist on the date of accession (a) no default in the payment of the principal of or interest on any Outstanding Bonds or any outstanding Junior Lien Bonds, (b) no default in the performance of any duties required under the provisions of this Bond Ordinance, and (c) no amount owed by the City with respect to the full funding of a Debt Service Reserve Fund, either by way of cash or reimbursement of any other funding mechanism, except in accordance with Section 4.02(5)(a) hereof.

(3) There shall be deposited in the Debt Service Fund Account for such Series of newly-acceded Bonds the amounts which would have been required under the provisions of Section 8.02 hereof to be accumulated therein on the date of accession if said Junior Lien Bonds had originally been issued as Bonds.

(4) On the date of accession, the earnings tests prescribed by Section 4.02(6) hereof shall have been met.

(5) In the event such proceedings require a Reserve Requirement to be maintained for such Series of newly-acceded Bonds, then in such event, there shall be on deposit on the date of accession in a Debt Service Reserve Fund an amount equal to the Reserve Requirement established for such Junior Lien Bonds which are being acceded to the status of Bonds.

(6) The City shall obtain an opinion of Bond Counsel to the effect that: (a) this Bond Ordinance and the proceedings authorizing such Junior Lien Bonds have been duly adopted and are in full force and effect; (b) the Junior Lien Bonds have been duly and lawfully authorized and executed by the City and are valid and binding upon, and enforceable against, the City (except to the extent that the enforceability thereof may be limited by the operation of bankruptcy, insolvency and similar laws affecting rights and remedies of creditors); and (c) this Bond Ordinance creates the valid pledge which it purports to create of the revenues and of moneys and securities on deposit in any of the funds established hereunder subject to the application thereof to the purposes and on the conditions permitted by this Bond Ordinance.

(7) In the event such Junior Lien Bonds were issued with variable rates, the provisions of subparagraph (8) of Section 4.02 shall have been met.

Section 6.02 Lease Financing Agreements.

The City shall have at all times the right to enter into capital leases or other lease financing agreements secured by a lien on the property, plant and equipment comprising a part of the System, which may or may not be limited to the property, plant or equipment acquired or improved by such capital lease or other lease financing arrangement.

### ESTABLISHMENT OF FUNDS

#### Section 7.01     Requirement for Special Funds.

For so long a time as any sum remains due and payable by way of principal or interest on Bonds, the following funds or accounts relating to the System shall be established and maintained, and deposits shall be made therein in the manner herein required.

#### Section 7.02     The Stormwater Fund.

(A) There shall be established and maintained a special revenue fund of the City designated as the “Stormwater Fund” held and administered by the City.

(B) Except as otherwise specifically directed or permitted herein, all Gross Revenues of the System shall be deposited or credited in accordance with and in the manner prescribed by Article VIII hereof into this fund. Money in the Stormwater Fund shall be withdrawn and made use of only in the manner and in the order of priority specified in Article VIII hereof. So long as the City establishes, under Accounting Principles, proper records of receipts and disbursements from the Stormwater Fund, the Stormwater Fund may be used for the purposes of the Operation and Maintenance Fund, the Depreciation Fund, the Contingent Fund, each Project Fund and any other fund or account authorized or created hereunder, subject to the prior applications of the amounts in the Stormwater Fund for the purposes set forth in Sections 7.03 and 7.04 hereof.

(C) Upon a determination by City Council, acting by Ordinance, that no Bondholders shall be materially affected or any security for any Outstanding Bonds being diminished in any way, the Stormwater Fund associated therewith may be transitioned from a special revenue fund and established as a standalone enterprise fund of the City under Accounting Principles.

#### Section 7.03     The Debt Service Fund.

(A) There shall be established and maintained a Debt Service Fund held by the Trustee. Within the Debt Service Fund, there shall be established a Debt Service Fund Account for each Series of Bonds Outstanding. Each Debt Service Fund Account is intended to provide for the ratable payment of the principal of, redemption premium, if any, and interest on the respective Series of Bonds as the same respectively fall due. Payments into the Debt Service Fund shall be made in the manner prescribed by this Bond Ordinance, including the applicable provisions of Article VIII hereof, and, except as herein provided, all money in the respective Debt Service Fund Accounts shall be used solely to pay the principal of, redemption premium, if any, and interest on the respective Series of Bonds, and for no other purpose. Each Debt Service Fund Account shall bear a numeric or alphanumeric Series designation as may be necessary to distinguish each Debt Service Fund Account from all others.

(B) The Debt Service Fund and each Debt Service Fund Account thereunder shall be kept in the complete custody and control of the Trustee and withdrawals from each Debt Service

Fund Account shall be made only by such Trustee who shall transmit to each Bondholder, at such times as may be appropriate, the sums required to pay the principal of, redemption premium, if any, and interest on the respective Series of Bonds. Amounts held by the Trustee due to non-presentment of Bonds on any redemption date must be retained by the Trustee for a period of at least one year after the final maturity of such Bonds. After such one-year period, funds retained in the Debt Service Fund Account for more than one year shall be remitted to the Office of the State Treasurer as unclaimed property. Further, subject to the written consent of the City, payment on a Series of Bonds may be made without presentation and surrender of the physical Bond; in such event, the Trustee assumes no liability to any person and no obligation shall be imposed on the Trustee to seek the return of such Series of Bonds from the Holder thereof.

(C) Moneys in the Debt Service Fund shall be invested and reinvested by the Trustee at the written direction of an Authorized Officer or his designee in Authorized Investments, maturing not later than the date on which such money is required to pay the principal of, premium, if any, and interest on the next occurring maturity of the Bonds. The Trustee shall have no responsibility for the investment of money in the Debt Service Fund that is not held by the Trustee. Unless otherwise provided in a Series Ordinance, all earnings from such investments shall be added to and become a part of the Debt Service Fund Account in which such investments are held, but shall be credited against payments that would otherwise be made to such Debt Service Fund Account pursuant to the provisions of Section 8.02 hereof.

(D) All monies received by the Trustee as Interest Payment Subsidies shall be deposited in the Debt Service Fund Account for such Series of Bonds and used to pay Debt Service on the Series of Bonds with respect to which such Interest Payment Subsidy was received.

(E) There may be established in the applicable Debt Service Fund Accounts from time to time a capitalized interest account to provide for the payment of interest on the Bonds of a particular Series. Any such account shall be created by the Series Ordinance relating to the issuance of such Series of Bonds. Any earnings from the investment of funds in the capitalized interest account not required to pay interest on the Bonds of any Series during the period for which interest on the Bonds of such Series is capitalized shall be deposited in the Project Fund created by the Series Ordinance relating to such Bonds or, if such Project Fund has been terminated or no such fund was created, such earnings shall be retained in the appropriate Debt Service Fund Account.

(F) The Trustee shall maintain two separate sub-accounts within each Debt Service Fund Account into which (i) amounts transferred from the Stormwater Fund (including any Interest Payment Subsidies), and (ii) amounts transferred from the Other Available Moneys Account of the Operation and Maintenance Fund, respectively, shall be deposited.

(G) Within each Debt Service Fund Account, the Trustee, is authorized to create other sub-accounts, as the City may direct or as the Trustee determines necessary for the timely payment of the principal of, interest on, and sinking fund installments due on the Bonds.

Section 7.04     The Debt Service Reserve Funds.

(A) Each Series Ordinance may create a Debt Service Reserve Fund for the Series of Bonds authorized thereby. Any such Debt Service Reserve Fund shall be for the equal and ratable benefit only of Bonds of that Series. Each such Debt Service Reserve Fund is intended to insure the timely payment of the principal of, and premium, if any, and interest on, that Series of Bonds, and to provide for the redemption of such Bonds prior to their stated maturities. Any Debt Service Reserve Fund shall be maintained in an amount equal to the Reserve Requirement for such Series of Bonds. Unless otherwise provided in a Series Ordinance, money in a Debt Service Reserve Fund shall be used for the following purposes, and for no other:

(1) To prevent a default in the payment of the principal of or interest on the applicable Series of Bonds, by reason of the fact that money in its Debt Service Fund Account is insufficient for such purposes;

(2) To pay the Redemption Price of the Bonds of that Series in the event that all Outstanding Bonds of such Series be redeemed as a whole; or

(3) To effect partial redemption of the applicable Series of Bonds; but subject to the restrictions of Section 4.15 hereof and provided that subsequent to said partial redemption, the market value of the cash and securities in the Debt Service Reserve Fund shall be not less than the Reserve Requirement therefor.

Notwithstanding the provisions of Section 7.04(A)(1-3) above and as permitted by the Code and Section 4.22 hereof, if the Debt Service Reserve Fund was funded with cash generated by the System, then, upon the written consent of the Holders of all Bonds of such Series secured by such Debt Service Reserve Fund, the monies in such Debt Service Reserve Fund may be returned to the City prior to the final maturity of such Series. The requirements for and provisions governing any Debt Service Reserve Fund in the remainder of this Bond Ordinance shall, in references to “the Debt Service Reserve Fund,” “the Reserve Requirement” and “the Bonds,” be deemed to refer to each such Debt Service Reserve Fund created by a Series Ordinance, if any, and in each case to the respective Reserve Requirement for the respective Series of Bonds, and to Bonds only of that respective Series and not to any other Bonds.

(B) (1) Except as provided in (B)(2) below, each Debt Service Reserve Fund shall be kept in the complete custody and control of the Trustee and withdrawals therefrom shall be made only by the Trustee who shall transmit to the Bondholders, at such times as may be appropriate, the sums required to pay the principal of, redemption premium, if any, and interest on the Bonds.

(2) If a Series of Bonds is held by the Water Quality Authority, then the Debt Service Reserve Fund for such Series of Bonds may be kept in the custody and control of the Office of State Treasurer and invested in Authorized Investments. Withdrawals therefrom shall be made only as directed by the Water Quality Authority at such times as may be required to pay the principal and interest on such Series of Bonds. Any withdrawal of the monies in a Debt Service Reserve Fund that exceeds the Reserve

Requirement shall be transferred in accordance with the provisions of Section 7.04(C) hereof.

(C) Except as provided in Section 7.04(B)(2) herein, money in a Debt Service Reserve Fund shall be invested and reinvested by the Trustee at the written direction of an Authorized Officer or his designee in Authorized Investments. Subject to the remaining provisions of this paragraph (C), the earnings from such investments shall be added to and become a part of that Debt Service Reserve Fund. Except as provided in a Series Ordinance, if as of any date of calculation, the value of the securities and money in a Debt Service Reserve Fund shall exceed its Reserve Requirement, such excess shall, at the written direction of the City, either be used to effect partial redemption of Bonds of that Series, or shall be removed from such Debt Service Reserve Fund and, either (i) transferred into the applicable Debt Service Fund Account, or (ii) transferred to the Stormwater Fund, as permitted by the provisions of the Code.

(D) In the event a Series Ordinance requires a Debt Service Reserve Fund to be established for a Series of Bonds, unless otherwise required by such Series Ordinance, the City, in lieu of the deposit of moneys into a Debt Service Reserve Fund, may alternatively satisfy the applicable Reserve Requirement by causing to be so credited to such Debt Service Reserve Fund an irrevocable and unconditional surety bond, line of credit, letter of credit or insurance policy equal to the Reserve Requirement therefor.

(E) In the event the amount credited to a Debt Service Reserve Fund under a surety bond, letter of credit, or insurance policy (the “*Original Funding Instrument*”) also includes amounts available under another surety bond, letter of credit, or insurance policy (the “*Additional Funding Instrument*”), draws on the Original Funding Instrument and the Additional Funding Instrument shall be made on a pro rata basis to fund any insufficiency in the Debt Service Fund Account. In the event a Debt Service Reserve Fund is funded with both monies and a surety bond, letter of credit, or insurance policy (1) any withdrawals from such Debt Service Reserve Fund shall be made first from such monies (or the liquidation of investments made therewith) and second from such surety bond, line of credit, letter of credit, or insurance policy, and (2) cash deposits to such Debt Service Reserve Fund shall be used first to restore the cash balance and second to reinstate the surety bond, line of credit, letter of credit, or insurance policy. The surety bond, line of credit, letter of credit, or insurance policy shall be payable (upon the giving of notice as required thereunder) on any Bond Payment Date on which moneys will be required to be withdrawn from such Debt Service Reserve Fund and applied to the payment of the principal of or interest on the Outstanding Series of Bonds to which such surety bond, line of credit, letter of credit, or insurance policy relates when such payments cannot be made by amounts otherwise credited to such Debt Service Reserve Fund.

Section 7.05     The Operation and Maintenance Fund.

(A) There shall be established and maintained an Operation and Maintenance Fund held and administered by the City. The Operation and Maintenance Fund is intended to provide for the payment of the Operation and Maintenance Expenses.

(B) Within the Operation and Maintenance Fund there shall be established an Other Available Moneys Account.

(C) Withdrawals from the Operation and Maintenance Fund shall be made by or on the order of an Authorized Officer in accordance, as nearly as may be practicable, with the Annual Budget then in effect.

Section 7.06 The Depreciation Fund.

(A) There shall be established and maintained a Depreciation Fund held and administered by the City. This fund shall be maintained in an amount to be established not less frequently than annually by the City Council in order to provide a reasonable reserve for depreciation of the System.

(B) Money in this fund shall be used solely:

- (1) For the purpose of restoring depreciated or obsolete items of the System;
- (2) To prevent defaults of Bonds and Junior Lien Bonds; and
- (3) For optional redemption of Bonds or Junior Lien Bonds.

(C) Withdrawals from this fund shall be made by or on order of the City.

Section 7.07 The Contingent Fund.

(A) There shall be established and maintained a Contingent Fund held and administered by the City. This fund shall be maintained in an amount to be established not less frequently than annually by the City Council in order to provide a reasonable reserve for contingencies and for improvements, betterments and extensions of the System.

(B) Money in this fund shall be used solely:

- (1) For improvements, betterments and extensions to the System, other than for those things which are reasonably necessary to maintain the System in good repair and working order;
- (2) To defray the cost of unforeseen contingencies and extraordinary repairs to the System;
- (3) To prevent defaults of Bonds and Junior Lien Bonds; and
- (4) For optional redemption of Bonds or Junior Lien Bonds.

(C) Withdrawals from this fund shall be made by or on order of an Authorized Officer.

Section 7.08      Establishment of Project Funds.

With respect to each Series of Bonds issued for the purposes set forth at Section 4.01(A)(1) hereof, there shall be established a Project Fund pursuant to the respective Series Ordinance. The moneys in the respective Project Fund shall be used to defray the costs of and to pay any costs incurred or to be incurred with respect to the project so financed and costs of issuance incurred in connection therewith. The City may, but shall not be required to establish a capitalized interest account and a cost of issuance account in any Project Fund so created. On the occasion of the delivery of any such Series of Bonds, the proceeds therefrom shall be paid into the Project Fund established for such Series as set forth in the Series Ordinance authorizing their issue. Withdrawals from a Project Fund and the accounts, if any, therein shall not be made except as provided in the Series Ordinance establishing such Project Fund.

Section 7.09      Investments of Funds.

Whenever, in the opinion of the City, it becomes desirable to invest money in any of the funds established by this Article (other than the Debt Service Reserve Funds, the Debt Service Fund, and any capitalized interest account) the City may make Authorized Investments. Earnings resulting from the investment of money in a particular fund shall be deposited into the Stormwater Fund (i) except as otherwise provided in Sections 7.03 and 7.04 hereof, and (ii) unless the City Council shall have determined pursuant to the Annual Budget that any such earnings on amounts in the Depreciation Fund and Contingent Fund shall remain therein.

Notwithstanding anything contained herein to the contrary and as limited solely to the funds held and invested by the Trustee, the Trustee shall have no obligation to enter into any repurchase agreement, investment agreement or any similar agreements with respect to the investment of any monies held under this Bond Ordinance unless (i) such agreement is in form and content acceptable to the Trustee in its sole discretion, (ii) any liability of the Trustee under such agreement is limited to loss occasioned by the negligence or willful misconduct of the Trustee, and (iii) the City shall pay to the Trustee an additional fee established by the Trustee in accordance with its customary practices.

## ARTICLE VIII

### DISPOSITION OF REVENUES

#### Section 8.01    Deposits.

So long as any Bonds are Outstanding, funds on deposit in the Stormwater Fund shall be applied at the times, in the amounts and for the purposes provided or permitted by this Bond Ordinance. Gross Revenues shall be deposited upon receipt from time to time by the City to the Stormwater Fund.

There shall be deposited to the Other Available Moneys Account of the Operation and Maintenance Fund such legally available moneys which the City Council in its sole discretion determines to apply for such purpose.

#### Section 8.02    Payments for Bonds.

Provision shall be made for the payment of principal of, premium, if any, and interest on all Bonds then Outstanding without priority of any other Bonds but ratably as to each Series of Bonds. To that end:

(1) From the Stormwater Fund, to the extent Gross Revenues are available, there shall be deposited into the Debt Service Fund and thereafter transferred into the respective Debt Service Fund Account (and thereafter to the respective interest sub-account, if any) an amount not less than the monthly fraction of the aggregate amount of interest to become due on the respective Series of Bonds on the next ensuing Bond Payment Date. On or before the fifteenth day of the calendar month prior to an Interest Payment Date, there shall be transferred to each Debt Service Fund Account in the following order of priority: first, from the Stormwater Fund the amount necessary, after taking into account the current balance in the applicable Debt Service Fund Account, to pay the installment of interest coming due on the applicable Series of Bonds on such Interest Payment Date, and then, to the extent necessary to pay such installment, from the Other Available Moneys Account of the Operation and Maintenance Fund (which amounts shall be designated in writing by the City to the Trustee and thereafter be credited to the respective sub-accounts therein), so that on each Interest Payment Date the amount of interest to be paid shall have been accumulated and be on hand; provided, however, that if provision has been made for the payment of all or part of the next installment of interest to become due on any Bonds, or the Trustee is in receipt of any Interest Payment Subsidies, pursuant to any other provision of this Bond Ordinance, or any Series Ordinance, or by reason of investment earnings or otherwise, then, in such event, the deposits required by this paragraph may be omitted, or reduced accordingly.

(2) From the Stormwater Fund, to the extent Gross Revenues are available, there shall be deposited into the Debt Service Fund and thereafter transferred into the respective Debt Service Fund Account (and thereafter to the respective principal sub-account, if any) an amount not less than the monthly fraction of the Principal Installment

of the respective Series of Bonds next becoming due and payable (whether at stated maturity or by sinking fund installments), so that on each Principal Payment Date the amount of principal to be paid shall have been accumulated and be on hand; provided, however, that on or before the fifteenth day of the calendar month prior to a Principal Payment Date, there shall be transferred to each Debt Service Fund Account in the following order of priority: first, from the Stormwater Fund the amount necessary, after taking into account the current balance in the applicable Debt Service Fund Account, to pay the Principal Installment on the applicable Series of Bonds coming due on such Principal Payment Date, and then, to the extent necessary to pay such Principal Installment, from the Other Available Moneys Account of the Operation and Maintenance Fund (which amounts shall be designated in writing by the City to the Trustee and thereafter be credited to the respective sub-accounts therein), so that on each Principal Payment Date the amount of principal to be paid shall have been accumulated and be on hand; provided, however, that if provision has been made for the payment of all or part of the next installment of principal to become due on the respective Series of Bonds, pursuant to any other provision of this Bond Ordinance, or any Series Ordinance, or by reason of investment earnings or otherwise, then, in such event, the deposits required by this paragraph may be omitted, or reduced accordingly.

Section 8.03      Deposits for the Debt Service Reserve Funds—Valuation.

Deposits shall next be made from the Stormwater Fund in the amounts required by this Section 8.03 or Section 4.02(5) into the respective Debt Service Reserve Funds. Except as provided in Section 7.04(B)(2), the Trustee shall calculate the value of the cash and securities in each Debt Service Reserve Fund 45 days prior to each Bond Payment Date in order to determine if each Debt Service Reserve Fund contains the Reserve Requirement therefor, and the extent to which payments therefor or withdrawals must be made therefrom, and the timing thereof, pursuant to this Bond Ordinance and the respective Series Ordinances. To the extent the Trustee determines that a deficiency exists, but such deficiency is solely the result of accounting practices governing the valuation of securities in the Debt Service Reserve Fund, the Trustee may alternatively calculate the value of the securities in each Debt Service Reserve Fund as of the maturity date of such securities, so long as such securities mature on or prior to the Bond Payment Date. Unless a Debt Service Reserve Fund is being funded pursuant to Section 4.02(5)(a) of this Bond Ordinance or otherwise contains cash and securities (or a surety bond, insurance policy, or letter of credit as herein described) in an amount at least equal to its Reserve Requirement, unless otherwise provided in the Series Ordinance, there shall be paid into such Debt Service Reserve Fund on the last Business Day of each of the 24 months following a determination of a deficiency in such Debt Service Reserve Fund one-twenty-fourth (1/24) of the amount necessary to re-establish in such Debt Service Reserve Fund its Reserve Requirement; provided, however, nothing herein shall preclude the City from fully re-establishing such Reserve Requirement in a more timely fashion than as so prescribed. Any surety bond, line of credit, insurance policy or letter of credit being used to meet the Reserve Requirement of a Debt Service Reserve Fund shall be valued at the amount still remaining to be drawn thereon; and in the event that any such surety bond, line of credit, insurance policy or letter of credit has been drawn upon, the amount necessary to restore the principal balance thereof shall be paid by the

City in the same manner and on a parity with the payments described in this Section 8.03 or as provided in an insurance agreement or applicable Series Ordinance.

The market value of any Authorized Investments in a Debt Service Reserve Fund shall be calculated as follows:

(1) as to investments the bid and asked prices of which are published on a regular basis in *The Wall Street Journal* (or, if published therein, then in *The New York Times*): the average of the bid and asked prices for such investments so published on or most recently prior to such time of determination;

(2) as to investments the bid and asked prices of which are not published on a regular basis in *The Wall Street Journal* or *The New York Times*: the average bid price at such time of determination for such investments by any two nationally recognized government securities dealers (selected by the Trustee in its absolute discretion) at the time making a market in such investments or the bid price published by a nationally recognized pricing service;

(3) as to certificates of deposit and bankers acceptances: the face amount thereof, plus accrued interest; and

(4) as to any investment not specified above, the value thereof established by prior agreement between the City and the Trustee.

Section 8.04     Reimbursement of Interest on Amounts Advanced by Credit Providers for the Debt Service Reserve Fund.

Provision shall then be made for payment of interest and any fees or penalties on amounts advanced by the provider of any surety bond, line of credit, letter of credit or insurance policy as contemplated in Section 7.04(D) hereof.

Section 8.05     Payments for Junior Lien Bonds.

Provision shall then be made for the payment of any other indebtedness which is junior and subordinate to the Bonds in the order of priority contemplated by the proceedings authorizing their issuance.

Section 8.06     Deposits to the Operation and Maintenance Fund.

There shall be deposited in the Operation and Maintenance Fund, from the Stormwater Fund, the amounts budgeted for Operation and Maintenance Expenses for the ensuing month.

Section 8.07     Deposits for the Depreciation Fund and Contingent Fund.

A.     There shall be deposited into the Depreciation Fund that sum which is one-twelfth (1/12) of the sum which has been currently determined by the City Council to be the budgeted requirement therefor for the then current Fiscal Year.

B.     There shall be deposited into the Contingent Fund that sum which is one-twelfth (1/12) of the sum which has been currently determined by the City Council to be the budgeted requirement therefor for the then current Fiscal Year.

Section 8.08     Bond Year Determination.

In any Bond Year, at such time as deposits to the Stormwater Fund equal the amounts required to be paid pursuant to Sections 8.02 through 8.07 hereof for the then current Bond Year, and, provided that each Debt Service Fund Account within the Debt Service Fund in the aggregate has on deposit therein an amount equal to all Debt Service due on the Bonds for the then current Bond Year, then any excess amount on deposit in or thereafter deposited to the Stormwater Fund in such Bond Year may be released from the Stormwater Fund and, subject to Accounting Principles, applied for any lawful purpose in such manner as the City Council shall from time to time determine.

In any Bond Year, to the extent the moneys in the Stormwater Fund are insufficient to fund the deposits required pursuant to this Article VIII, then, in its discretion, the City Council, in adopting its Annual Budget (including an supplement thereto), may appropriate funds from any legally available source for deposit to the Other Available Moneys Account of the Operation and Maintenance Fund. To the extent the application of monies from the Other Available Moneys Account for Debt Service is limited by the provisions of the Enabling Act, an amount equal to the amount to be appropriated from Other Available Moneys Account shall be applied from any balance in the Operation and Maintenance Fund and used for the purposes in Sections 8.02(1) and (2) above.

[End of Article VIII]

## ARTICLE IX

### AGREEMENT TO FURNISH INFORMATION WITH RESPECT TO SYSTEM

#### Section 9.01    Keeping Records.

The City recognizes that those who may from time to time hereafter be Bondholders will, throughout the life of the Bonds, require full information with respect to the System, the fiscal affairs of the System, and all matters incident to each. To that end, the City hereby covenants and agrees that it will install and thereafter at all times maintain proper books of records and accounts, separate and distinct from all other records and accounts, in which complete and correct entries shall be made of all transactions relating to the System, and all revenues and receipts derived therefrom, directly or indirectly. Such books and records shall be kept in such fashion as to reveal in detail:

- (A)    The Gross Revenues of the System and the source from whence derived;
- (B)    All Operation and Maintenance Expenses;
- (C)    All amounts appropriated to the Other Available Moneys Account;
- (D)    A schedule demonstrating compliance with Section 5.01(B) hereof for such Fiscal Year;
- (E)    All expenditures made from the several funds established by this Bond Ordinance, and Series Ordinances authorizing the issuance of the Bonds; and
- (F)    The rate schedules that may from time to time be in force.

Within seven months after the end of each Fiscal Year, the City shall provide to the Trustee annual certification evidencing compliance with Section 9.01(D) and inclusion of such schedule in the City's audited financial statements shall be sufficient for purposes of compliance herewith.

#### Section 9.02    Audit Required.

The City further covenants and agrees that so long as any Bonds are Outstanding, it will, not later than seven months after the close of each Fiscal Year, cause to be made and completed by the Auditors, an audit of the records, books and accounts pertaining to the System, made in accordance with Accounting Principles, showing, among other things, the Gross Revenues; and that it will furnish a copy of such audit to the Trustee. Such audit shall comment upon any violation of any provision of any resolution authorizing the issuance of any Bonds or Junior Lien Bonds and any violation of any provision of this Bond Ordinance noted by the Auditors, and such other matters as to them seem pertinent. Any audits made available to the City shall not otherwise be restricted as to their subsequent dissemination to any party.

Pursuant to the Enabling Act, the City will make available, upon request, for inspection during regular business hours an unaudited balance sheet and income statement and other information required thereby within six months of the close of the Fiscal Year.

## ARTICLE X

### INSURANCE

#### Section 10.01 Requirement of Insurance.

(A) The City covenants and agrees that so long as any Bonds are Outstanding:

(1) To the extent insurance coverage is available, that it will insure and at all times keep the System insured against physical loss or damage with a responsible insurance company or companies, authorized and qualified under the laws of the State, to assume the risks insured against, in such amount as private corporations engaged in similar endeavors would customarily insure for;

(2) That it will secure adequate fidelity bonds (blanket or individual) of a surety company doing business in the State, indemnifying the City against defalcation of all persons handling money derived from the System or signing checks on any bank accounts relating to the System, other than the Trustee or any Registrar;

(3) That all premiums on all bonds or insurance policies shall be deemed an Operation and Maintenance Expense and paid out of Gross Revenues of the System;

(4) That all insurance policies shall be open to the inspection of any Bondholder at any reasonable time;

(5) That all money received by the City as a consequence of any defalcation, covered by any fidelity bond, shall be used to restore the fund depleted by the defalcation. All sums received by the City from insurance policies covering the System may, to the extent necessary, be applied to the repair and replacement of the damaged or destroyed property, but, in the event that such money is not used for such purposes, then the same shall be deposited in the Depreciation Fund or Contingent Fund; and

(6) That it will comply with the requirements of State law regarding the mandatory purchase of liability insurance contained in Section 15-78-140(b) of the South Carolina Code.

(B) Insurance required by this Section 10.01 may be provided through the South Carolina Insurance Reserve Fund. The City may obtain or adopt alternative risk management programs which an Insurance Consultant determines to be reasonable, including, without limitation, self-insurance in whole or in part individually or in connection with other institutions, participation in programs of captive insurance companies; participation with other governmental entities in mutual or other cooperative insurance or other risk management programs, participation in state or federal insurance programs, taking advantage of state or federal laws now or hereafter in existence limiting liability, or establishing or participating in other alternative risk management programs; all as may be approved by the Insurance Consultant as reasonable and appropriate risk management by the City. If the City shall be self-insured for any coverage,

the City shall obtain a report of an Insurance Consultant stating whether the anticipated funding of any self-insurance fund is actuarially sound, and if not, the required funding to produce such result and such coverage shall be reviewed by the Insurance Consultant not less frequently than annually. Any self-insurance program shall be subject to annual review by the Insurance Consultant who shall provide a written report to the City which shall include recommendations relating to such self-insurance program. The City shall provide to the Trustee annual certification evidencing compliance with the Insurance Consultant's recommendations. The Trustee has no duty or obligation to make any determination as to the sufficiency of the insurance required to be maintained hereunder.

### ADDITIONAL COVENANTS

#### Section 11.01 Additional Covenants to Secure Bonds.

The City further covenants and agrees:

(A) That neither the System, nor any part thereof, nor any of the revenues derived from the System, have been or will be hypothecated, mortgaged, otherwise pledged or encumbered, save and except in accordance with the provisions hereof;

(B) That it will permit no free service to be rendered, or use to be made of the services and facilities of the System, and for the services and facilities of the System used by the City, the reasonable cost and value of such services and facilities shall be paid as such services accrue;

(C) That it will do all things necessary to maintain and enforce the provisions of the IGA and the levy and collection of Stormwater Utility User Fees thereunder; however, nothing shall prohibit the amendment, revision, adjustment or cancellation of the IGA so long as the City maintains the ability to levy and collect Stormwater Utility User Fees in an amount necessary to fund the Debt Service associated with all Series of Bonds then Outstanding;

(D) That so long as there are any Bonds Outstanding and unpaid, it will perform all duties with reference to the System required by the Constitution of the State and the South Carolina Code;

(E) That it will not pledge, mortgage, or otherwise encumber the System or any portion thereof, or any revenues therefrom except in the manner herein authorized, and it will not sell, lease or otherwise dispose of any portion of the System, necessary or useful in the operation of the System, until all Bonds shall be paid in full, or unless and until provision shall have been made for the payment of all Bonds and the interest thereon in full, and the City further obligates itself and covenants and agrees with the Bondholders to maintain in good condition and to operate said System, and to collect and charge such rates for the services and facilities of the System so that the income and revenues of the System will be sufficient at all times to meet the requirements of this Bond Ordinance. If, pursuant to this Section, anything belonging to the System which is not deemed by the City to be necessary or useful therefor shall be sold or disposed of, the proceeds of such sale or disposition shall be deposited in the Stormwater Fund;

(F) That it will permit, so long as there are any Bonds Outstanding, any Bondholder to inspect the System and all records and accounts thereof under reasonable terms and conditions and after reasonable notice has been given;

(G) That it will not make any use, and it shall direct the Trustee and each Fiduciary not to make any use of the proceeds of any Series of Bonds which Bonds were intended upon the issuance thereof to be exempt from federal income taxation, which, if such use had been reasonably expected on the date of the issuance of the Bonds of such Series would have caused

such Bonds or any other Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and will observe and not violate the requirements of Section 148 of the Code;

(H) That, as to any Series of Bonds that was intended at the time of their issuance to be exempt from federal income taxation, it will take all actions required of it under the Code that are necessary to preserve the tax-exempt status of such Series of Bonds, including without limitation, actions necessary to comply with all information reporting requirements and any obligation to rebate arbitrage earnings on the proceeds of such Bonds to the United States Government;

(I) That it will make all payments or deposits required under Articles VII and VIII of this Bond Ordinance in a timely manner;

(J) In adopting the Annual Budget, the City shall determine whether it expects to have sufficient Gross Revenues to make, in such Fiscal Year, the payments and transfers agreed to pursuant to Sections 8.02 through 8.07 of this Bond Ordinance. If the City does not expect to have sufficient Gross Revenues for such purpose, City Council shall consider a budgetary appropriation from legally available funds in an amount that together with funds on deposit in the Stormwater Fund, each Debt Service Fund Account and any Debt Service Reserve Fund will be sufficient to provide for the interest and Principal Installments on the Bonds in such Fiscal Year. Any such lawfully appropriated funds shall be deposited to the Other Available Moneys Account of the Operation and Maintenance Fund not later than the beginning of each Fiscal Year for which any legally available funds have been appropriated. In considering such budgetary appropriation, the City Council may in its sole discretion determine not to make the budgetary appropriation (a “*Determination of Nonappropriation*”) described above and such Determination of Nonappropriation shall not constitute an Event of Default under this Bond Ordinance, nor shall the City have any obligation to enact such appropriation; and

(K) Wherever in this Bond Ordinance there is a statement to the effect that the City may apply such other legally available moneys as the City Council shall in its discretion determine to apply for a purpose, or words of similar import, such application shall be made by City Council applying its legislative discretion in determining whether to apply such moneys. Any payment from other available moneys described in this Bond Ordinance shall constitute a current expense of the City and shall not in any way be construed to be a debt of the City in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness of the City, nor shall anything contained in this Bond Ordinance constitute or give rise to a general obligation or pledge of the general tax revenues, taxing power or full faith or credit of the City Council. Any such budgetary appropriation shall be subject in all respects to the discretion of City Council, and any failure to make such an appropriation, notwithstanding any provision of this Bond Ordinance to the contrary, shall not constitute a default or Event of Default under this Bond Ordinance.

## ARTICLE XIV

### REMEDIES

#### Section 14.01 Acceleration; Annulment of Acceleration.

(A) Upon the occurrence of an Event of Default pursuant to Sections 13.01(A)(1) or (2), the Trustee may, and shall, upon the written request of the Holders of not less than 51% in aggregate principal amount of Bonds Outstanding, by notice in writing to the City, declare all Bonds Outstanding immediately due and payable, and such Bonds shall become and be immediately due and payable, anything in the Bonds or in this Bond Ordinance to the contrary notwithstanding. In such event, there shall be due and payable on the Bonds an amount equal to the total principal amount of all such Bonds, plus all interest accrued thereon and which will accrue thereon to the date of payment.

(B) At any time after the principal of the Bonds shall have been so declared to be due and payable and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Bond Ordinance, the Trustee shall annul such declaration and its consequences with respect to any Bonds not then due by their terms if:

(1) Moneys shall have been deposited in Debt Service Fund sufficient to pay all matured installments of interest and principal (other than principal then due only because of such declaration) of all Outstanding Bonds;

(3) All other amounts then payable by the City hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee; and

(4) Every Event of Default known to the Trustee (other than a default in the payment of the principal of such Bonds then due only because of such declaration) shall have been remedied to the satisfaction of the Trustee.

No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

#### Section 14.02 Additional Remedies and Enforcement of Remedies.

(A) Upon the occurrence and continuance of any Event of Default, subject to the provisions of Section 17.01 hereof, the Trustee may, and upon the written request of the Holders of not less than 51% in aggregate principal amount of the Bonds Outstanding, together with indemnification of the Trustee to its satisfaction therefor, shall proceed forthwith to protect and enforce its rights and the rights of the Bondholders under this Bond Ordinance by such suits,

actions or proceedings as the Trustee, being advised by counsel, shall deem expedient, including but not limited to:

(B) Regardless of the happening of an Event of Default, the Trustee, if requested in writing by the Holders of not less than 51% in aggregate principal amount of the Bonds then Outstanding, and upon receipt of assurances of indemnification of the Trustee, the sufficiency of which shall be determined in the Trustee's sole discretion, shall institute and maintain such suits and proceedings as it may be advised by counsel shall be necessary or expedient:

- (1) To prevent any impairment of the security under this Bond Ordinance by any acts which may be unlawful or in violation of this Bond Ordinance; or
- (2) To preserve or protect the interests of the Bondholders, provided that such request is in accordance with law and the provisions of this Bond Ordinance and, in the sole judgment of the Trustee, is not unduly prejudicial to the interests of the Holders of Bonds not making such request.

(C) When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

#### Section 14.03 Application of Revenues and Other Moneys after an Event of Default.

(A) The City covenants that if an Event of Default shall happen and shall not have been remedied, the City, upon demand of the Trustee, shall pay or cause to be paid over to the Trustee:

- (1) Forthwith, all moneys and securities then held by the City which are credited to any fund under this Bond Ordinance. Any moneys and securities in any

Project Fund created with proceeds of Bonds if construction of the projects to be paid for thereby has been completed or terminated but exclusive of any amounts remaining in such Project Fund that are in dispute between the City and any contractor; provided, however, any monies in a Debt Service Fund Account or Debt Service Reserve Fund shall be applied only toward a Series of Bonds for which such Debt Service Fund Account or Debt Service Reserve Fund was established; and

(2) As promptly as practicable after receipt thereof, all Gross Revenues.

(B) During the continuance of an Event of Default, the Trustee shall apply all moneys, securities, Gross Revenues, payments and receipts in its possession and the income therefrom as follows and in the following order:

(1) To the payment of the reasonable and proper charges of the Trustee and its reasonable counsel fees and expenses;

(a) Unless the principal of all of the Bonds shall have become or have been declared due and payable,

(i) First: To the payment of the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the persons entitled thereto, without any discrimination or preference;

(ii) Second: To the payment to the persons entitled thereto of the unpaid Principal Installments (and redemption premiums, if any) of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal (plus redemption premium, if any) due on such date, to the persons entitled thereto, without any discrimination or preference.

(b) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any differences as to the respective rates of interest specified in the Bonds;

(3) To the payment of the amounts required by Section 8.03, ratably, according to the amounts due thereon to the persons entitled thereto;

(4) To the payment of the amounts required by Section 8.04, ratably, according to the amounts due thereon to the persons entitled thereto;

(5) To the payment of the amounts required by Section 8.05, ratably, according to the amounts due thereon to the persons entitled thereto;

(6) To the payment of necessary Operation and Maintenance Expenses;

(7) To the payment of the amounts required by Section 8.07(A), ratably, according to the amounts due thereon to the persons entitled thereto; and

(8) To the payment of the amounts required by Section 8.07(B), ratably, according to the amounts due thereon to the persons entitled thereto.

Section 14.04 Remedies Not Exclusive.

No remedy by the terms of this Bond Ordinance conferred upon or reserved to the Trustee or the Bondholders or any Insurer is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Bond Ordinance or existing at law or in equity or by statute (including the Enabling Act) on or after the date hereof.

Section 14.05 Remedies Vested in Trustee.

All rights of action (including the right to file proof of claims) under this Bond Ordinance or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceedings instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any Holders of the Bonds. Subject to the provisions of Section 14.03 hereof, any recovery of judgment shall be for the equal benefit of the Holders of the Outstanding Bonds.

Section 14.06 Majority of Bondholders Control Proceedings.

If an Event of Default shall have occurred and be continuing, notwithstanding anything in this Bond Ordinance to the contrary, the Holders of at least a majority in aggregate principal amount of Bonds then Outstanding shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceeding to be taken in connection with the enforcement of the terms and conditions of this Bond Ordinance or for the appointment of a receiver or any other proceedings hereunder, provided that such direction is in accordance with law and the provisions of this Bond Ordinance (including indemnity to the Trustee) and, in the sole judgment of the Trustee, is not unduly

prejudicial to the interests of the Bondholders not joining in such direction and provided further that nothing in this Section 14.06 shall impair the right of the Trustee in its discretion to take any other action under this Bond Ordinance which it may deem proper and which is not inconsistent with such direction by Bondholders.

Section 14.07 Individual Bondholder Action Restricted.

(A) No Holder of any Bond shall have any right to institute any suit, action, or proceeding in equity or at law for the enforcement of this Bond Ordinance or for the execution of any trust hereunder or for any remedy under this Bond Ordinance unless:

(1) An Event of Default has occurred:

(a) under paragraph (1) or (2) of subsection (A) of Section 13.01 hereof;

(b) as to which a Responsible Officer of the Trustee has actual notice; and

(c) as to which the Trustee has been notified in writing.

(2) The Holders of at least 25% in aggregate principal amount of Bonds Outstanding shall have made written request to the Trustee to proceed to exercise the powers granted in this Bond Ordinance or to institute such action, suit or proceeding in its own name; and

(3) Such Bondholders shall have provided assurances of indemnification of the Trustee, the sufficiency of which shall be determined in the Trustee's sole discretion; and

(4) The Trustee shall have failed or refused to exercise the powers herein granted or to institute such action, suit or proceedings in its own name for a period of 60 days after receipt by it of such request and offer of indemnity.

(B) No one or more Holders of Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Bond Ordinance or to enforce any right hereunder except in the manner herein provided and for the equal benefit of the Holders of all Bonds Outstanding.

(C) Nothing contained in this Bond Ordinance shall affect or impair, or be construed to affect or impair, the right of the Holder of any Bond:

(1) To receive payment of the principal of or interest on such Bond on the due date thereof; or

- (2) To institute suit for the enforcement of any such payment on or after such due date.

Section 14.08 Termination of Proceedings.

In case any proceeding taken by the Trustee or any Bondholder on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Bondholders, the City, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee and the Bondholders shall continue as if no such proceeding had been taken.

Section 14.09 Waiver and Nonwaiver of Event of Default.

(A) No delay or omission of the Trustee or of any Holder of the Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given by this Article XIV to the Trustee and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(B) The Trustee may waive any Event of Default which in its opinion (and in reliance on the opinion of legal counsel as necessary) shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Bond Ordinance, or before the completion of the enforcement of any other remedy under this Bond Ordinance.

(C) Notwithstanding anything contained in this Bond Ordinance to the contrary but subject to the provisions of Section 17.01 hereof, the Trustee, upon the written request of the Holders of at least a majority of the aggregate principal amount of Bonds then Outstanding (including, if more than one Series of Bonds shall at the time be Outstanding, the Holders of a majority in principal amount of all Bonds then Outstanding of each such Series), shall waive any Event of Default hereunder and its consequences; provided, however, that except under the circumstances set forth in subsection (B) of Section 14.01 hereof or subsection (B) of this Section 14.09, a default in the payment of the principal of, premium, if any, or interest on, any Bond, when the same shall become due and payable by the terms thereof or upon call for redemption, may not be waived without the written consent of the Holders of all the Bonds at the time Outstanding.

(D) In case of any waiver by the Trustee of an Event of Default hereunder, the City, the Trustee, each Insurer and the Bondholders shall be restored to their former positions and rights under this Bond Ordinance, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon. The Trustee shall not be responsible to anyone for waiving or refraining from waiving any Event of Default in accordance with this Section 14.09.

Section 14.10 Notice of Events of Default.

(A) Within 30 days after:

(1) The receipt of notice of an Event of Default as provided in Sections 14.07(A)(1)(b) or (c) hereof; or

(2) The occurrence of an Event of Default under paragraphs (1) or (2) of subsection (A) of Section 13.01 hereof, as to which the Trustee shall be deemed to have notice,

the Trustee shall, unless such Event of Default shall have theretofore been cured, give written notice thereof by first class mail to each Insurer of any Series of Bonds then Outstanding, if any, and to each Holder of Bonds then Outstanding, provided that, except in the case of a default in the payment of principal of, together with premium, if any and interest on any of the Bonds, the Trustee may withhold such notice if, in its sole judgment, it determines that the withholding of such notice is in the best interests of the Bondholders.

(B) The Trustee shall immediately notify the City and each Insurer of any Series of Bonds then Outstanding of any Event of Default actually known to a Responsible Officer of the Trustee.

Section 14.11 Rights of Insurers.

Any Series Ordinance may provide that any Insurer, insuring the applicable Series of Bonds, upon the occurrence of an Event of Default and with respect to all remedies provided herein, may prevent the acceleration of the Bonds of all Series or may prevent the annulment of the acceleration of the Bonds of all Series. Such Insurer may be subrogated to the rights to payment of the Holders of any Bonds with respect to which it pays any principal or interest on the Bonds owned by that Holder.

(A) The Trustee may be removed at any time by the Holders of not less than 51% of the principal amount of Bonds at such time Outstanding upon 30 days written notice to the Trustee.

(B) Provided an Event of Default has not occurred and is not continuing, the Trustee may be removed at any time by the City upon 30 days written notice to the Trustee.

(C) Any such removal shall take effect immediately (after the 30-day notice period) upon, but not before the appointment and qualification of such successor.

Section 15.09 Appointment of Successor Trustee Upon Resignation or Removal of Trustee.

(A) In case at any time the Trustee shall resign, or be removed or become incapable of acting, or be adjudged bankrupt or insolvent, or a receiver of its property shall be appointed, or any public officer shall take charge or control of its property or affairs, a successor thereto shall be promptly appointed by an ordinance of the City duly enacted. Such successor shall in all instances be a bank or a trust company, and duly chartered pursuant to the laws of the United States or of any state and shall have a combined capital and surplus of not less than \$500,000,000.

(B) Immediately following such appointment, the City shall give written notice of such appointment to the Bondholders and any Registrar other than the Trustee.

Section 15.10 When Bondholder May Seek Successor Trustee.

If, in a proper case, no appointment of a successor Trustee shall be promptly made pursuant to Section 15.09, any Bondholder, the resigning or removed Trustee may make application to any court of competent jurisdiction for the appointment of a successor and said court may thereupon, after such notice, if any, as such court may prescribe, appoint a successor.

Section 15.11 Acceptance by Successor Trustee.

Any successor Trustee appointed hereunder shall execute and deliver to its predecessor and to the City a written acceptance of such appointment, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of its predecessor hereunder with like effect as if originally named as such Trustee and its predecessor shall be obligated to pay over, transfer, assign and deliver all moneys, securities and other property held by it to its successor, and on the written request of the City, or the successor, shall execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as may be reasonably required for the vesting and confirming in such successor all the right, title and interest of the predecessor in and to any property held by it.

Section 15.12 Effect of Trustee Merging with another Bank.

Any bank or trust company into which the Trustee may be merged, or with which it may be consolidated, or any bank or trust company resulting from any merger or consolidation to which it shall be a party, or any bank or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, shall become the successor without the

execution or filing of any paper or the performance of any further act; provided, always, that if the City shall be dissatisfied with the institution resulting from the merger, consolidation or other action spoken of above, then the City may at any time within 30 days after such action name a new Trustee (with the qualifications prescribed by Section 15.09 hereof) in lieu of the Trustee then acting.

Section 15.13 Trustee to Secure Funds and Securities Held in Trust.

Unless the same be secured as trust funds in the manner provided by the regulations of the Comptroller of the Currency as from time to time in effect, all funds or securities in the custody of the Trustee, in excess of the amount of such deposit insured by the Federal Deposit Insurance Corporation, shall be invested in Authorized Investments at the written direction of the City.

Section 15.14 Disposition of Paid Bonds.

It shall be the duty of the Trustee to cancel all Bonds which shall have been paid, whether upon their maturity or redemption prior to maturity; such cancellation shall be done in such fashion as to render such Bonds incapable of further negotiation or hypothecation. In any event it shall furnish appropriate certificates or other documentation acceptable to the City indicating the disposition of such Bonds.

Section 15.15 Appointment of Substitute Registrar.

The City may, from time to time, appoint a Registrar or Registrars to act in the place and stead of the Trustee as Registrar of the Bonds of one or more Series. The City shall cause written notice of such appointment to be mailed to the Holders of all Bonds affected by such appointment 30 days prior to the effective date of such appointment.

Section 15.16 Additional Provisions Regarding the Trustee.

The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Bond Ordinance, and no implied covenants or obligations should be read into this Bond Ordinance against the Trustee. If any Event of Default under this Bond Ordinance shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Bond Ordinance and shall use the same degree of care as a prudent person would exercise or use in the circumstances in the conduct of such prudent person's own affairs.

The Trustee agrees to perform the trust functions provided herein upon and subject to the following expressed terms and conditions:

(A) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents or receivers appointed with due care.

(B) The permissive items assigned to the Trustee as enumerated herein shall not be construed as a duty.

(C) The Trustee shall not be accountable for the use or application by the City of any money paid over by the Trustee in accordance with the provisions of this Bond Ordinance.

(D) Before taking any action under this Bond Ordinance relating to an Event of Default or in connection with its duties under this Bond Ordinance other than making payments of principal and interest on the Bonds as they become due or causing an acceleration of the Bonds whenever required by this Bond Ordinance, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all costs and expenses to which it may be put (including legal fees, costs and expenses) and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances and except liability which is adjudicated to have resulted from its own negligence or willful misconduct in connection with any action so taken.

(E) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material, including continuing disclosure material, prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(F) None of the provisions of this Bond Ordinance shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds cannot be assured to the Trustee's satisfaction.

(G) So long as investments are made in Authorized Investments, the Trustee may conclusively rely upon the City's written instructions as to both the suitability and legality of all investments directed hereunder. To the extent invested in Authorized Investments, the Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge reasonable fees for such trades, including cash sweep accounts. Notwithstanding anything to the contrary herein, in the absence of written investment instructions from the City, the Trustee shall not be responsible or liable for keeping moneys held by it hereunder fully invested. While invested in Authorized Investments, the Trustee shall not be liable for any losses or diminution in value from such investments executed pursuant to a written direction of the City. Broker confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered.

(H) The Trustee shall have no duty to review or analyze any financial statements delivered to it hereunder (including the audit required by Section 9.02 hereof) or verify the accuracy thereof and shall hold such financial statements solely as a repository for the benefit of

the Bondholders; the Trustee shall not be deemed to have notice of any information contained therein or Event of Default which may be disclosed therein.

(I) The City shall pay to the Trustee reasonable compensation for all services performed by it hereunder and also its reasonable expenses, charges and other disbursements and the fees, costs, and expenses of its attorneys, agents and employees incurred in and about the administration and the performance of its powers and duties hereunder. If the Trustee is required by governmental agency or court proceeding initiated by a third party to undertake efforts beyond that which is set forth herein but related thereto, the Trustee shall notify the City of same in writing. Payment for such extraordinary fees, costs and expenses (including but not limited to reasonable attorney's fees, costs and expenses) shall be made promptly by the City only after said notice.

(J) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Bond Ordinance arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation: acts of God; earthquakes; fire; flood; hurricanes or other catastrophic storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communications services; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

(K) Upon request from any Bondholder and absent any further direction or consent of the City, the Trustee shall disseminate a copy of the financial statements to such requester.

(L) Notwithstanding anything to the contrary herein, to the extent that the Trustee is not otherwise acting in the capacity as dissemination agent, the Trustee shall not have any liability to any party in connection with any failure to timely file any notice with the Municipal Securities Rulemaking Board (via its EMMA system).

(M) The Trustee shall have the right to accept and act upon directions or instructions delivered using Electronic Means; provided, however, that the City shall provide to the Trustee an incumbency certificate listing Qualified Officers with the authority to provide such directions or instructions (each a "*Qualified Officer*") and containing specimen signatures of such Qualified Officers, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the City elects to give the Trustee directions or instructions using Electronic Means, the Trustee's understanding of such directions or instructions shall be deemed controlling. The City understands and agrees that the Trustee cannot determine the identity of the actual sender of such directions or instructions and that the Trustee shall conclusively presume that directions or instructions that purport to have been sent by an Qualified Officer listed on the incumbency certificate provided to the Trustee have been sent by such Qualified Officer. The City shall be responsible for ensuring that only Qualified Officers transmit such directions or instructions to the Trustee and that all Qualified Officers treat applicable user and authorization codes, passwords and/or authentication keys as confidential and with extreme care. The Trustee shall not be liable for any losses, costs or expenses arising

directly or indirectly from the Trustee's reliance upon and compliance with such directions or instructions notwithstanding such directions or instructions conflict or are inconsistent with a subsequent written direction or written instruction. The City agrees: (i) to assume all risks arising out of the use of Electronic Means to submit directions or instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized directions or instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting directions or instructions to the Trustee and that there may be more secure methods of transmitting directions or instructions and (iii) that the security procedures (if any) to be followed in connection with its transmission of directions or instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances.

Subject to the provisions of any Series Ordinance, Bonds shall be deemed to have been paid and discharged within the meaning of this Article under each of the following circumstances:

(A) The Trustee shall hold, at the stated maturities of such Bonds, in trust and irrevocably appropriated thereto, sufficient money for the payment thereof.

(B) If default in the payment of the principal of such Bonds or the interest thereon shall have occurred and thereafter tender of such payment shall have been made, and the Trustee shall then hold in trust and irrevocably appropriated thereto, sufficient money for the payment thereof to the date of the tender of such payment.

(C) If the City shall have deposited with the Trustee, or any other bank or trust company which would otherwise meet the chartering and capital and surplus requirements contained in Section 15.09(A) hereof (after properly establishing an escrow account therefor), in irrevocable trust money or Defeasance Obligations, the principal of and interest on which when due (without reinvestment thereof) will, as certified in a verification report provided by an independent entity providing such services and selected by the City, provide money which, together with the money, if any, deposited at the same time, shall be sufficient to pay, when due, the principal, interest and redemption premium, if any, due and to become due on and prior to the maturity, or, if the City has irrevocably elected to redeem Bonds, on and prior to the redemption date, of such Bonds.

#### Section 16.02 Money to be Held in Trust—When Returnable to the City.

Any money which at any time shall be deposited with the Trustee or other escrow holder authorized under Section 16.01(C), by or on behalf of the City, for the purpose of paying and discharging any Bonds or the interest thereon, shall be and is hereby assigned, transferred and set over to the Trustee or such other escrow holder in trust for the respective Holders of the Bonds, and such money shall be and is hereby irrevocably appropriated to the payment and discharge thereof. But if, through lapse of time or otherwise, the Holders of said Bonds shall no longer be entitled to enforce payment of their obligations, then, in such event, it shall be the duty of the Trustee or such other escrow holder to forthwith return said funds to the City.

Section 16.03 Deposits with Trustee Subject to Conditions of Article XVI.

The City covenants and agrees that any money which it shall deposit with the Trustee shall be deemed to be deposited in accordance with, and subject to, the applicable provisions of this Article, and that whenever it shall have elected to redeem Bonds it will irrevocably bind and obligate itself to give notice of redemption thereof, and will further authorize, empower and direct the Trustee to cause the publication of such notice of redemption in its name and on its behalf.

Section 16.04 No Defeasance of Series of Bonds Paid by Insurer.

In the event that the principal and/or interest due on a Series of Bonds shall be paid by an Insurer pursuant to a Municipal Bond Insurance Policy, such Series of Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the City until the Insurer has been reimbursed in full therefor in accordance with the terms of the Municipal Bond Insurance Policy, and the assignment and pledge of the Gross Revenues of the System and all covenants, agreements and other obligations of the City to the registered Holders shall continue to exist and shall run to the benefit of the Insurer, and the Insurer shall be subrogated to the rights of such registered Holders.

#### Section 17.01 Miscellaneous Rights of an Insurer.

(A) Notwithstanding any provision of this Bond Ordinance to the contrary, each Insurer shall be deemed the exclusive Holder of all Bonds insured by that Insurer, for the purposes of all approvals, consents, waivers, institution of any action, and the direction of all remedies. No rights granted to an Insurer by this Bond Ordinance shall be effective at any time that such Insurer is in breach of its obligations under the Municipal Bond Insurance Policy, has committed a default under the Municipal Bond Insurance Policy, or is subject to bankruptcy or receivership proceedings.

To evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the Trustee shall note Insurer's rights as subrogee on the registration books of the City maintained by the Trustee or Registrar upon receipt of proof from the Insurer as to payment of interest thereon to the registered Holders of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Insurer's rights as subrogee on the registration books of the City maintained by the Trustee or Registrar upon surrender of the Bonds by the registered Holders thereof to the Insurer or its agent.

(D) In the event that the principal of and/or interest on any Bonds shall be paid by the Insurer pursuant to the terms of its Municipal Bond Insurance Policy, (i) such Bonds shall continue to be "Outstanding" under this Bond Ordinance and (ii) the assignment and pledge of the Gross Revenues and all covenants, agreements and other obligations of the City to the registered Holders shall continue to exist, and the Insurer shall be fully subrogated to all of the rights of such registered Holders in accordance with the terms and conditions of subparagraph (C) above and the Insurer's Municipal Bond Insurance Policy.

Section 17.02 Purpose of Covenants in Bond Ordinance.

Every covenant, undertaking and agreement made on behalf of the City, as set forth in this Bond Ordinance and any Series Ordinance is made, undertaken and agreed to, for the proper securing of the payment of the principal of and interest on the Bonds. Each shall be deemed to partake of the obligation of the contract between the City and the Bondholders and shall be enforceable accordingly. In this connection, any provider of a surety bond, line of credit, insurance policy or letter of credit as contemplated under Section 7.04(D) hereof may enforce the terms, conditions and obligations under this Bond Ordinance as a third-party beneficiary hereunder. Nothing in this Bond Ordinance or any Series Ordinance expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the City, an Insurer, the Trustee, and the registered owners of the Bonds, any right, remedy or claim under or by reason of this Bond Ordinance or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Bond Ordinance or a related Series Ordinance contained by and on behalf of the City shall be for the sole and exclusive benefit of the City, an Insurer, the Trustee, and the registered owners of the Bonds.

Section 17.03 Severability.

If any Section, paragraph, clause or provision of this Bond Ordinance shall be held invalid, the invalidity of such Section, paragraph, clause or provision shall not affect any of the remaining provisions of this Bond Ordinance.

Section 17.04 Remedies Granted by Ordinance Not Being Available to Holders of Other Bonds.
