

How to Enroll or Volunteer

If you have a loved one that has limited mobility or is "shut-in" and you would like a volunteer to contact him/her daily just to have a friendly voice on the other end of the phone, call (843) 322-7906 and leave a message.

A volunteer will call you back to with more information. If you would like to

volunteer, call (843) 322-7906 and leave a message with your name, address, and phone number. You will need to fill out a volunteer application and have a background check. Training will be provided and you will be placed on a call rotation.

A friendly voice will check daily on the health and well-being of citizens in the City of Beaufort.
