EXPLANATION OF PROPERTY RATING SYSTEM: Please keep in mind that you will pay more for beachfront properties with fewer palms than non-beachfront properties with more palms.

5 Palms (Luxury):

This designation is reserved for exceptional accommodations and unique, luxurious properties. The decor and design are fully coordinated throughout the unit. Every amenity and accessory in each room is of the highest quality. There are three types of properties at this level. One is at the top of the heap for functionality of amenities in the home (multiple refrigerators, game room, enclosed hot/cold exterior showers, ice makers, high tech entertainment areas, etc). The other is at the top of the heap for style/decor (artwork on all walls, luxurious bathrooms and bedding). There is a TV with access to cable or satellite service in every bedroom and a large screen in the living room. High speed wireless internet access is available in this home.

Or, a property can be a 4 Palm rated property in decor and furnishings, but be oceanfront and therefore due to prime location and incredible views be a 5 Palm rated property.

4.5 Palms:

A property can be a 3.5 Palm rated property in decor and furnishings, but be oceanfront and therefore due to prime location and incredible views be a 4.5 Palm rated property.

4 Palms:

This designation is reserved for units in which all furnishings are new or nearly new and in excellent condition. The decor and furnishings represent current design trends and are well coordinated. The kitchen and baths are new or remodeled with top quality finishes. In this home, all bathrooms, bedrooms, and kitchens have been upgraded. There is a TV with access to cable or satellite service in every bedroom and a large screen in the living room. High speed wireless internet access is available in this home. Or, a property can be a 3 Palm rated property in decor and furnishings, but be oceanfront and therefore due to prime location and incredible views be a 4 Palm rated property.

3.5 Palms:

This designation is for properties in which some bathrooms have been remodeled and/or the kitchen has been remodeled and upgraded. There may be some areas that this property has 4 Palm ratings, but it is not consistent. The owners of these homes are working on upgrading the home and therefore have some Palm 4 amenities and some Palm 3. So, while a kitchen may be upgraded, the bathrooms may not be or vice versa. Or the kitchen or bath may have elements that are upgraded, but not the entire room.

3 Palms:

This designation is for properties that are attractive, show minimal wear on furniture, represent current decorating trends, are well coordinated, but not in every room. These homes are comfortable for guests with kitchen and baths in good working order. Everything listed on property amenities is in good working order.

Or, a property can be a 2 Palm rated property in decor and furnishings, but be oceanfront and therefore due to prime location and incredible views be a 3 Palm rated property.

2 Palms:

This designation is for properties that are comfortable, but have many areas that need improvement. The decor is out-of-date and not fully coordinated and may not be of a particularly high quality. While some decorating theme may be apparent, furnishings are generally older and do not consistently reflect current decorating trends. This is your typical old beach home. Everything listed on property amenities is in good working order.

Or, a property can be a 1 Palm rated property in decor and furnishings, but be oceanfront and therefore due to prime location and incredible views be a 2 Palm rated property.

1 Palm (Economy):

This designation is for properties that are minimally maintained. The furnishings may be mismatched and dated, showing obvious wear and tear or damaged pieces. The appearance is a step up from camping. Rental of this property is attractive due to its location or affordability.

**1002 WILMINGTON STREET
STAFF REPORT**

**CITY OF BEAUFORT
ZONING BOARD OF APPEALS
Staff Report and Recommendations
Meeting of 4 August 2015**

Case Number: ZB15-17
Property Address: 1002 Wilmington Street
Applicant: Greta Maddox, Seaside Getaways, LLC
Type of Request: Special Exception for Short Term Rental
Zoning: General Residential District

Background: The property is located at 1002 Wilmington Street in the Northwest Quadrant neighborhood (see Site Location Map attached). The property is identified as District 120, Tax Map 4, Parcel 137. The property is zoned “General Residential District” (GR). A single-family dwelling is located on the lot. Photos of property are attached.

The property owner desires to rent the dwelling unit on a short term basis (i.e., for periods less than 30 days). Short term rental of a primary dwelling unit is permitted by special exception in the GR District.

The property owner, who lives locally, has hired Seaside Getaways, LLC to manage the short term rental. The rental agreement specifies a minimum 2-night stay which meets the City’s ordinance. The rental agreement limits the persons in the unit to four and the number of vehicles on the site to two. The lot has adequate on-site parking. The agreement does not mention that vehicles are to park in the driveway and not on the street.

Public comment: The property was posted on July 13. Letters were sent to adjoining property owners on July 20. The public hearing notice referencing this application appeared in the July 20 edition of *The Beaufort Gazette*. Staff has received no public comments on this application as of the date of this writing.

Criteria for approval of a special exception set out in Section 3.16:

According to the UDO, the Zoning Board of Appeals may approve an application for a Special Exception where it reasonably determines that there will be no significant negative impact upon residents of surrounding property or upon the general public. The UDO stipulates that the Board shall consider six criteria in its review of an application for a special exception. Staff comments on how the application relates to these criteria follows.

- (1) *Whether the proposed use is compatible with existing land uses in the surrounding area.* The property is located in the Northwest Quadrant neighborhood of the Beaufort Historic District. The property is located within walking distance or an easy bike ride of the downtown core. The property is located 1 ½ blocks from Boundary Street, a major arterial, and two blocks from Bladen Street, a commercial collector street.

- (2) *Whether the proposed site plan, circulation plan, and schematic architectural designs are harmonious with the character of the surrounding area.* No changes are proposed to the property as part of its use as a short term rental.
