

**CITY OF BEAUFORT  
SOLICITING SEALED QUOTE FOR  
METAL EQUIPMENT STORAGE BUILDING**

The City of Beaufort is soliciting **QUOTES** from experienced, qualified, insured, and licensed building contractors to construct a metal equipment storage building at the City of Beaufort Public Works Complex at 16 Burton Hill Road, Beaufort, SC.

The contractor will be responsible for all needed labor, foundation, site preparations, required drainage, business licenses/permits, and all other requirements associated with the construction of this project. Quotes must identify three separate development components:

- The site preparation and foundation (flatwork)
- Cost to assemble and erect the structure
- Cost of structure material

The City reserves the right to select the contractor it deems best serves the interest of the City. A description of the preliminary design can be obtained from the City of Beaufort Public Works Department at 16 Burton Hill Road between the hours of 8:00 a.m. and 4:00 p.m.

Quotes are to be submitted by 3:00 p.m., May 20, 2005. Please submit quote to:

Mail **Quotes** to:

City of Beaufort  
Public Works Department  
P.O. Drawer 1167  
Beaufort, SC 29901

Deliver **Quotes** to:

City of Beaufort  
Public Works Department  
16 Burton Hill Road  
Beaufort, SC 29906

All quote envelopes **MUST** be sealed and marked **“SEALED QUOTE – STORAGE BUILDING.”** The City of Beaufort is not responsible for any expenses incurred by a contractor in obtaining the information needed to submit a quote. The City also does not guarantee the award or disqualification of an opportunity to bid based on this quote. The City also bears no responsibility for any cost incurred by a prospective contractor in the preparation of this quote.
