

REQUEST FOR PROPOSALS

The City of Beaufort is requesting proposals for the provision of wireless internet service in the City's Waterfront Park; located on the Beaufort River in historic downtown. The City seeks to provide free internet service via wireless transmission to users of the park.

SYSTEM REQUIREMENTS

The City seeks to obtain a burstable 3 Mbps service to the park, providing a minimum upload/download speed of 512 Kbps for each user.

Proposals should include equipment costs and service contract elements. The City seeks to minimize recurring costs through the use of creative public-private partnerships.

SUBMISSION INFORMATION

Firms should submit three copies of each proposal. Proposals are due by 5 p.m. on April 25th. Proposals may be delivered by hand, or by parcel delivery to:
