Best Management Practice

The owner or operator of a commercial or industrial establishment or a disturbed area shall provide, at their own expense, reasonable protection from accidental discharge of prohibited materials or other wastes into the watercourses through the use of structural and nonstructural BMP's.

Right of Entry and inspection of properties and facilities

- (a) Whenever the City has reasonable cause to believe that there exists, or potentially exists, in or upon any premises any condition which constitutes a violation of this article, the City shall have the right to enter the premises any condition which constitutes a violation of this article, the City shall have the right to enter the premises at any reasonable time to determine if the owner or operator is complying with all requirements of this article. If the owner or occupant refuses entry after a request to enter has been made, the City is hereby empowered to seek assistance from the court in obtaining such entry.

Enforcement and Penalties

- (a) *Violation.* It is unlawful for any person to violate any provision or fail to comply with any of the requirements of this article. Any person who violates any of the provisions of this article shall be subject to one (1) or more of the enforcement actions outlined in this section.
- (b) *Enforcement.* Authorized personnel under the supervision of the City Manager have the power to conduct inspections, give verbal directions, issue notices of violations and implement other enforcement actions under this section.
- (c) *Abatement.* In event the violation constitutes an immediate danger to public health or public safety, the City is authorized to enter upon the subject private property, without giving prior notice, to take any and all measures necessary to abate the violation and/or restore the property.
- (d) *Cost of abatement of the violation.*
 - 1) If the City abates a violation, then within ten (10) days after abatement of the violation, the owner of the property will be notified of the cost abatement, including administrative costs. The property owner may file a written appeal

objecting to the amount of the assessment within ten (10) days of the effective date of the notice.

- 2) If no appeal is filed, then the charges shall become due and payable on the date set forth in the notice, which date shall be after the expiration of the time in which to file an appeal, and such charges shall become special assessment against the property and shall constitute a lien on the property for the amount of the assessment.
 - 3) In the event an appeal is filed, a hearing on such appeal shall be held before the City Council within fifteen (15) days from the date of receipt of the written appeal. If any charges are upheld upon completion of such hearing, then such charges shall become due and payable ten (10) days after the issuance of the order upon such appeal and if not timely paid, such charges shall become a special assessment against the property and shall constitute a lien on the property for the amount of the assessment.
 - 4) All liens set forth in this section shall accrue penalty and interest at a rate equivalent to that which is assessed upon delinquent general property taxes under state law. Such lien shall have priority over all other liens except general taxes and shall, upon the City's certification and filing with Beaufort County, be collected and paid to the City's by the county treasurer in the same manner as delinquent general property taxes.
- (e) *Re-Inspection fees.* Whenever the City determines that any activity is occurring which is not in the compliance with the requirements of this article, the City can issue a re-inspection fee of two hundred dollars (\$200) established by the resolution of the city council.
- (f) *Stop work order.* Whenever the city determines that any activity is occurring which is not in compliance with the requirements of this article, the City can order the activity stopped upon service of written notice upon the responsible owner and/ or operator. The owner and/ or operator shall immediately stop all activity until authorized in writing by the City to proceed. If the owner and/ or operator cannot be located, the notice to stop shall be posted in a conspicuous place upon area where the activity is occurring and shall state the nature of the violation. It shall be unlawful for any owner and/ or operator to fail to comply with a stop work order.
- (g) *Criminal penalties; enforcement costs.* It is unlawful and an offense for any person to violate or permit or cause violation of this article or the provisions of any discharge permit issued under this article. Violators shall be punishable as provided by state and municipal law, however that in addition to any other punishment there shall be imposed a fine of two hundred dollars (\$200) for each violation of any provision of this article. Each day, or part of a day, any violation of any provision of

this article. Each day, or part of a day, any violation occurs or continues is a separate offense.

- (h) *Violations deemed a public nuisance.* Any condition caused or permitted to exist in violation of any of the provisions of this article is a threat to public health, safety, and welfare, and is declared and deemed a public nuisance.
